REGULATIONS MADE UPON THE RECOM- MENDATION OF THE MINISTER UNDER THE INDUSTRIAL STANDARDS ACT

1. The schedule appended hereto shall be in force during pleasure within the zone and be binding upon the employers and employees in the industry referred to in the schedule.

2. Ontario Regulations 214/47 are revoked.

3. The schedule and regulation 2 shall come into force on the tenth day after the publication thereof in THE ONTARIO GAZETTE under *The Regulations Act, 1944*.

SCHEDULE FOR THE PLASTERING IN- DUSTRY IN THE OTTAWA ZONE

1. No work shall be performed in the plastering industry in the Ottawa zone except in accordance with this schedule.

HOURS OF WORK

2. The regular working periods for all employers and employees in the plastering industry shall be,—

- (a) a regular working-week consisting of not more than 40 hours of work to be performed during the regular working-days; and
- (b) a regular working-day consisting of not more than 8 hours of work to be performed on Monday, Tuesday, Wednesday, Thursday and Friday during the months of,—

- (i) April to September, both inclusive, between 8 a.m. and 5 p.m., with one hour each day for noon recess; and
- (ii) October to March, both inclusive, between 8 a.m. and 4.30 p.m., with one-half hour each day for noon recess.

MINIMUM RATE OF WAGES

3. The minimum rate of wages for all work performed in the industry during the,—

- (a) regular working periods; and
- (b) night of not more than 8 hours' duration where the work is of such a nature that it cannot be performed during the regular working-day,

shall be \$1.50 an hour.

SHIFT WORK

4.—(1) Where the work is carried on in 2 or more shifts, an employee shall be deemed to be employed during a regular working-day where,—

- (a) the shifts of not more than 8 hours each are operated between 1 a.m. on Monday and 8 a.m. on Saturday of the same week; and
- (b) no employee, except a foreman, works on more than one shift in any 24-hour period.

(2) Where 2 or more shifts are worked on the same job, only one shift shall be a day-shift and an employee

working on a night-shift shall receive 8 hours' pay for 7 hours' work.

OVERTIME WORK

5. Work performed in the industry,—

- (a) at any time other than during the working periods in sections 2, 3 or 4; and
- (b) on Saturday, Sunday, New Year's Day, Good Friday, Victoria Day, Dominion Day, Labour Day, Thanksgiving Day or Christmas Day,

shall be deemed to be overtime work.

6.—(1) Unless the employer has obtained a permit authorizing the work from the advisory committee no overtime work shall be performed in the industry.

(2) Except,—

- (a) in cases of emergency; or
- (b) where it is necessary to do the work at such times as will prevent loss of employment to persons regularly employed in buildings where the overtime work is to be performed,

no overtime work shall be permitted on the days in clause b of section 5.

MINIMUM RATES OF WAGES FOR OVERTIME WORK

7.—(1) The minimum rate of wages for overtime work performed,—

- (a) up to 12 midnight on Monday, Tuesday, Wednesday, Thursday and Friday; and

REGULATIONS MADE BY THE MINISTER UNDER THE DEPARTMENT OF EDUCATION ACT

PROGRAMMES OF RECREATION

INTERPRETATION

1.—(1) In these regulations,—

- (a) "approved maintenance and operating costs" means the costs of renting and using building and equipment for programmes of recreation, and the operating costs of those programmes including wages, publicity, and office supplies;
- (b) "area community-programme" means a community programme of recreation conducted on a non-profit basis by an area recreation-committee;
- (c) "area recreation-committee" means a committee appointed by a recreation committee to conduct an area community-programme;
- (d) "assistant" means any person appointed by a recreation committee or joint recreation committee to instruct persons taking part in a community programme;
- (e) "community programme" means a community programme of recreation conducted on a non-profit basis;
- (f) "director" means a person appointed by a recreation committee or joint recreation-committee to direct and co-ordinate a community programme in one or more municipalities, as the case may be;
- (g) "joint community-programme" means a community programme of recreation conducted on a non-profit basis by two or more municipalities;
- (h) "joint recreation-committee" means a committee appointed jointly by two or more municipal councils to conduct a joint community-programme;
- (i) "municipal council" means the council of a municipality under *The Municipal Act*;
- (j) "recreation committee" means a committee appointed by a municipal council to conduct a community programme; and
- (k) "recreation" means cultural, educational, physical and social activities but does not include the direction or supervision of a school programme of recreation.

(2) Approved maintenance and operating costs shall be subject to the approval of the Minister.

COMMUNITY PROGRAMMES

2.—(1) With the approval of the Minister, a municipal council may appoint a recreation committee of 7 persons.

(2) The committee may appoint,—

- (a) a director;
- (b) such assistance as it may deem necessary; and
- (c) a secretary for the director.

CONDITIONS OF GRANTS FOR COMMUNITY PROGRAMMES

3. A municipal council conducting a community programme shall be eligible for the grants under regulation 4 if,—

- (a) the programme is in charge of a recreation committee;
- (b) the content of the programme is approved by the Minister;

- (c) the accommodation and facilities for conducting the programme are approved by the Minister; and
- (d) the director is approved by the Minister.

APPORTIONMENT OF GRANTS
FOR COMMUNITY PROGRAMMES

4.—(1) Where a municipal council complies with regulation 3, it shall be paid the following annual grants:

- (a) 33-1/3 per cent of the annual salary of the director;
- (b) 33-1/3 per cent of the annual salary of the director's secretary;
- (c) subject to subregulation 2, 33-1/3 per cent of the annual salary of each assistant; and
- (d) 20 per cent of approved maintenance and operating costs.

(2) The Minister may determine the number of assistants in respect of which the grant under clause *c* of subregulation 1 shall be paid.

(3) The maximum grants shall be as follows:

- (a) \$1000 under clause *a* of subregulation 1;
- (b) \$500 under clause *b* of subregulation 1;
- (c) \$500 under clause *c* of subregulation 1; and
- (d) \$400 under clause *d* of subregulation 1.

(4) The total of the grants shall not exceed,—

- (a) \$1600 under clause *c* of subregulation 1; and
- (b) \$3500 under subregulation 1.

JOINT COMMUNITY-PROGRAMMES

5.—(1) With the approval of the Minister, two or more municipal councils of municipalities having a combined population of under 25,000 may appoint a joint recreation-committee of 9 persons.

(2) The committee may appoint,—

- (a) a director;
- (b) such assistants as it may deem necessary; and
- (c) a secretary for the director.

(3) The municipal councils may enter into an agreement for the purpose of programmes of recreation.

CONDITIONS OF GRANTS
FOR JOINT COMMUNITY-PROGRAMMES

6. Two or more municipal councils conducting a joint community-programme shall be eligible for the grants under regulation 7 if,—

- (a) the programme is in charge of a joint recreation-committee;
- (b) the content of the programme is approved by the Minister;
- (c) the accommodation and facilities for conducting the programme are approved by the Minister; and
- (d) the director is approved by the Minister.

APPORTIONMENT OF GRANTS
FOR JOINT COMMUNITY-PROGRAMMES

7.—(1) Where two or more municipal councils comply with regulation 6, they shall be paid jointly the following annual grants:

- (a) 33-1/3 per cent of the annual salary of the director;
- (b) 33-1/3 per cent of the annual salary of the director's secretary;
- (c) subject to subregulation 2, 33-1/3 per cent of the annual salary of each assistant; and
- (d) 20 per cent of approved maintenance and operating costs.

(2) The Minister may determine the number of assistants in respect of which the grant under clause *c* of subregulation 1 shall be paid.

(3) The maximum grants shall be as follows:

- (a) \$1000 under clause *a* of subregulation 1;
- (b) \$500 under clause *b* of subregulation 1;
- (c) \$500 under clause *c* of subregulation 1; and
- (d) \$400 under clause *d* of subregulation 1.

(4) The total of the grants shall not exceed,—

- (a) \$1600 under clause *c* of subregulation 1; and
- (b) \$3500 under clause *d* of subregulation 1.

AREA COMMUNITY-PROGRAMMES

8. For the purpose of conducting area community-programmes joint recreation-committees may appoint area recreation-committees, and recreation committees in municipalities having a population of at least 25,000 may appoint area recreation-committees and area recreation-directors.

GRANTS FOR AREA COMMUNITY-PROGRAMMES

9.—(1) Where two or more municipal councils,—

- (a) are entitled to a grant under subregulation 1 of regulation 7; and
- (b) conduct area community-programmes each in charge of an area recreation-committee,

they shall be paid jointly an additional annual grant of 20 per cent of the approved maintenance and operating costs of each area community-programme but not exceeding \$100.

(2) Where the municipal council of a municipality having a population of at least 25,000,—

- (a) is entitled to a grant under subregulation 1 of regulation 4;
- (b) conducts area community-programmes each in charge of an area recreation-committee,

it shall be paid additional annual grants as follows:

- (i) 33-1/3 per cent of the annual salary of each full-time area recreation-director but not exceeding \$700; and
- (ii) 20 per cent of the approved maintenance and operating costs of each area community-programme but not exceeding \$200.

LIMITATION OF GRANTS

10. The number of area community-programmes in respect of which grants shall be paid shall be determined by the Minister.

11. The total of the additional annual grants shall not exceed,—

- (a) under subregulation 1 of regulation 9, \$800; or
- (b) under subregulation 2 of regulation 9,—
 - (i) \$1800 for a municipality having a population of at least 25,000 but under 75,000;
 - (ii) \$3600 for a municipality having a population of at least 75,000 but under 200,000; or
 - (iii) \$6300 for a municipality having a population of at least 200,000.

MULTIPLICITY OF PROGRAMMES

12. No municipal council shall be paid a grant under these regulations where it,—

- (a) conducts at the same time a community programme and a joint community-programme; or
- (b) enters into more than one agreement under subregulation 3 of regulation 5.

SPECIAL GRANTS

13. With the approval of the Minister, any provincial organization which conducts a programme of recreation and is ineligible for a grant under Part 2 of Ontario Regulations 85/48 or the foregoing regulations may be paid a special grant not exceeding \$1,000 a year.

REDUCTION IN GRANTS

14. Where in any year the amount voted by the Legislature for the grants under these regulations is insufficient to pay the grants in full, the Minister may make a *pro rata* reduction.

REVOCATION OF REGULATIONS

15. Ontario Regulations 77/45 are revoked.

Toronto, January 17th, 1949.

1. In the Territorial District of Algoma, composed of,—

- (a) (i) lots 1, 2 and 3, the south half of lot 4, the west half of lot 6, lots 7, 8 and 9, and the south halves of lots 10, 11 and 12, in Concession III;
- (ii) the south half of lot 2, lots 3 to 8, both inclusive, the north halves of lots 9, 10, 11 and 12, and lot 13, in Concession IV;
- (iii) lots 2 to 13, both inclusive, in Concession V; and
- (iv) lots 1 to 13, both inclusive, in Concession VI;

in the Township of Grasett; and

- (b) (i) lots 1, 2 and 3, the south half of lot 4, lots 5 and 6, the north halves of lots 7 and 8, the south halves of lots 9 and 10, and lots 11 and 12, in Concession I;
- (ii) lot 1, the south half of lot 2, lot 3, the north halves of lots 4 and 5, lots 6 and 7, the north halves of lots 8 and 9, and lots 10, 11 and 12, in Concession II;
- (iii) the south halves of lots 1, 4 and 5, the north-west quarter of lot 5, and lots 6 to 12, both inclusive, in Concession III;
- (iv) the north half and south-west quarter of lot 3, the north half of lot 4, the north half and south-west quarter of lot 5, the north half and south-east quarter of lot 6, the north half of lot 9, and the west half of lot 12, in Concession IV;
- (v) the north-west quarter of lot 1, lots 2 to 6, both inclusive, and the south halves of lots 7 and 8, in Concession V; and
- (vi) the south halves of lots 1, 2 and 3, lot 4, the south half and north-east quarter of lot 5, and the south-east quarter of lot 6, in Concession VI,

in the Township of Scarfe.

2. In the Territorial District of Kenora, composed of lots 24 to 26, both inclusive, in Concession IV, in the Township of Drayton.

3. In the Territorial District of Sudbury, composed of,—

- (a) (i) lots 1 to 12, both inclusive, in Concession I;
- (ii) lots 1 to 12, both inclusive, in Concession II;
- (iii) lots 1 to 12, both inclusive, in Concession III;
- (iv) lots 1 to 12, both inclusive, in Concession IV;
- (v) the south half of lot 1, lot 2, the south half of the south half of lot 5, the north-west quarter of lots 5 and 6, the north half and south-east quarter of lot 7, the south half and north-east quarter of lot 8, the south half and north-west quarter of lot 9, lots 10 and 11, and the south half of lot 12, in Concession V; and
- (vi) the north half of lot 1, the north-east quarter of lot 2, lots 3 to 7, both inclusive,

the north half of the north half of lot 8, the south-west quarter of lot 8, and lots 9 to 12, both inclusive, in Concession VI,

in the Township of Awrey;

- (b) (i) lots 1 to 5, both inclusive, the south half of lot 6, the north half of lot 8, and lots 9 to 12, both inclusive, in Concession I;
- (ii) lots 1, 2 and 3, the south half of lot 4, the north half of lot 6, and lots 7 to 12, both inclusive, in Concession II;
- (iii) lots 1 and 2, the north halves of lots 4 and 5, and lots 6 to 12, both inclusive, in Concession III;
- (iv) lot 1, the north half of lot 3, and lots 4 to 12, both inclusive, in Concession IV;
- (v) lot 1, the north half of lot 2, and lots 3 to 12, both inclusive, in Concession V; and
- (vi) lots 1 to 12, both inclusive, in Concession VI,

in the Township of Hawley; and

- (c) (i) lots 1 to 10, both inclusive, and the south half and north-east quarter of lot 11, in Concession I;
- (ii) lot 1, the west half of lot 2, the south half of lot 3, the north half of the north half of lot 3, the south-west quarter of the north half of lot 3, lot 4, the south halves of lots 5, 6 and 7, the north-west quarter of lot 7, lots 8, 9 and 10, and the north half of lot 11, in Concession II;
- (iii) lot 1, the north half of lot 2, the south half of lot 3, lots 4 to 8, both inclusive, the east half of lot 9, the north-west and south-east quarters of lot 11, and the north half of lot 12, in Concession III;
- (iv) the south half of lot 1, the north half of lot 3, and lots 4 to 12, both inclusive, in Concession IV;
- (v) lots 1 to 9, both inclusive, the north half of lot 11, and lot 12, in Concession V; and
- (vi) lot 2, the north-east quarter of lot 3, lot 4, the south half of lot 5, the south half of the north half of lot 5, lots 6 to 10, both inclusive, the south half of lot 11, and lot 12, in Concession VI,

in the Township of Secord.

3. In the Territorial District of Thunder Bay, composed of,—

- (a) (i) the north halves of lots 1 and 2, lot 3, the south halves of lots 4 and 5, the north halves of lots 9, 10 and 11, the south half of lot 12, the north halves of lots 21 and 22, and the south half of lot 24, in Concession IV;
- (ii) lot 1, the south half of lot 2, lot 3, the north halves of lots 4, 5 and 6, lots 7 to 11, both inclusive, the north half of lot 12, and the south half of lot 14, in Concession V; and
- (iii) lots 1 to 7, both inclusive, the north half of lot 8, the south half of lot 11, and the north halves of lots 23 and 24, in Concession VI,

in the Township of Fowler;

- (b) (i) the west half of lot 16 in Concession A;
- (ii) the west half of lot 15 in Concession B;
- (iii) the west two-thirds of lot 2, the west half of lot 5, lot 10, the centre third, between the east and west thirds, of lot 12, the east halves of lots 15 and 16, and the west quarter of lot 16, in Concession I;
- (iv) lot 1, the east half of lot 2, the west half of lot 3, lot 5, the west halves of lots 7 and 8, lots 9 and 10, the west halves of lots 11, 12, 13 and 14, lot 15, and the east half of lot 16, in Concession II;
- (v) the east half of lot 1, the west half of lot 3, the east half of lot 4, lot 5, the west half of lot 6, the east half of lot 7, the west half of lot 8, the east half of lot 9, lots 10 and 11, the west half of lot 12, and lots 13 to 16, both inclusive, in Concession III;
- (vi) the east half of lot 1, lot 2, the west halves of lots 7 and 8, lots 10, 11, 12 and 14, and the east half of lot 16, in Concession IV;
- (vii) the east half of lot 2, lots 3 to 6, both inclusive, the east halves of lots 7 and 9, and the west halves of lots 11, 12, 13 and 14, in Concession V;
- (viii) the west half of lot 8, the east and west thirds of lot 9, the west half of lot 10, lots 11 and 12, and the east half of lot 13, in Concession VI;
- (ix) lots 2, 7, 8 and 9, the east third of lot 10, the east half of lot 11, and the east two-thirds of lot 12, in Concession VII;
- (x) the west half of lot 1, lots 2 and 3, the east half of lot 4, lots 6 to 9, both inclusive, and lot 11, in Concession VIII; and
- (xi) lots 1, 2 and 3, the west half of lot 4, lot 5, the east halves of lots 6 and 8, and lot 9, in Concession IX,

in the Township of Lyon; and

- (c) (i) the north half of the south half of section 5, section 7, and the north-east quarter of section 8, in Concession A;
- (ii) the south half of section 5, the south half and north-east quarter of section 6, and the north half and south-west quarter of section 7, in Concession B;
- (iii) the north-east quarter of section 1, the north-west quarter of section 2, and the east half of section 7, in Concession 1;
- (iv) sections 1 and 2 in Concession II;
- (v) the south half of section 1, sections 2 and 3, the south-west quarter of section 4, the south half of the south-east quarter of section 4, the north-west quarter of section 5, the north-west quarter of the north-west quarter of the south-west quarter of section 5, in Concession III;
- (vi) the north half and the south-east quarter of section 1, the east half of section 2, the east half of section 3, the east half of the south-west quarter of section 3, the west half of the north-west quarter of section 4, the north half of section 5, the south-west quarter of section 5, and the north half of

the south-east quarter of section 5, in Concession IV;

- (vii) the west half of section 1, the west half of the east half of section 1, the west half of section 2, the north half of the north-east quarter of section 2, the west half of the south-east quarter of section 2, the west half of the west half of section 3, the west half and north-east quarter of the north-east quarter of section 3, the north half of section 4, the west halves of the south-east and south-west quarters of section 4, the north-west and south-east quarters of section 5, the south-west quarter of the north-east quarter of section 5, and the west half of the south-west quarter of section 5, in Concession V;
- (viii) sections 1 to 5, both inclusive, in Concession VI;
- (ix) sections 1 to 5, both inclusive, in Concession VII; and

THE LAKES AND RIVERS IMPROVEMENT ACT

O. Reg. 23/49.
Kasshabog Lake Dam.
New.
Made—9th February, 1949.
Filed—14th February, 1949, 9.35 a.m.

REGULATIONS MADE UNDER THE LAKES AND RIVERS IMPROVEMENT ACT

- 1. The site described in Schedule 1 and the plans,—
 - (a) described in the first column; and
 - (b) filed in the Office of the Registrar of Regulations at the Parliament Buildings, Toronto, by the plan number in the second column,

of Schedule 2 and mode of construction in Schedule 3 of the dam of Mr. Allan T. Brown, of the City of Peterborough, known as the Kasshabog Lake Dam are approved.

SCHEDULE 1

In the Township of Methuen in the County of Peterborough, being,—

- (a) part of broken lot 9 in Concession VIII; and
- (b) part of the land under the waters of Kasshabog Lake and North River adjacent to broken lot 9 in Concession VIII,

and being a strip of land 50 feet wide lying between two lines drawn parallel to and on opposite sides of the line of the up-stream face of the dam, distant 20 feet measured northerly and perpendicularly, and distant 30 feet measured southerly and perpendicularly, respectively, from the line of the up-stream face of the dam and, premising that all bearings are astronomic and are referred to the meridian through the north-

east angle of lot 8 in Concession X, which up-stream face of the dam may be located as follows:

Commencing at a point in the high-water mark on the westerly shore of Kasshabog Lake, and which point may be located by starting at the rock survey-post, referenced by a stone mound, planted on an island in Kasshabog Lake, and being on the centre-line of the road allowance between concessions VII and VIII distant 594 feet measured north 21° 40' west from a point on the production south 68° 58' west of the centre-line of the road allowance between lots 10 and 11 in Concession VII, and which rock survey-post is shown on plan of municipal survey recorded as number 794 in the Department of Lands and Forests; thence south 22° 29' west 5171.4 feet to the point of commencement; thence north 70° 34' east 81.5 feet, as shown marked in red on plan number 13 filed in the office of the Registrar of Regulations at the Parliament Buildings, Toronto.

SCHEDULE 2

Description of Plan	Plan Number
Plan showing detail of dam-site and proposed concrete dam	14

SCHEDULE 3

MODE OF CONSTRUCTION

TYPE OF WORKS

- 1.—(1) The dam shall,—
 - (a) be a concrete gravity-type dam extending across the North River at the outlet of Kasshabog Lake; and
 - (b) comprise,—
 - (i) a bulkhead section;
 - (ii) two stop-log-sluice piers;
 - (iii) a stop-log sluice-way; and
 - (iv) a spillway section,
 as shown on the plan.
- (2) The bulkhead section shall,—
 - (a) be,—
 - (i) constructed of concrete; and
 - (ii) of gravity-type design,
 with a top width of 2 feet and a down-stream slope of 7 units vertical to 4 units horizontal; and
 - (b) extend easterly from the east stop-log-sluice pier to meet solid rock at local elevation 111 feet.
- (3) The stop-log-sluice piers shall each,—
 - (a) be,—
 - (i) constructed of concrete;

- (ii) of gravity-type design; and
- (iii) 5 feet in length, with a top width of 5 feet 6 inches and down-stream slope of 7 units vertical to 4 units horizontal; and
- (b) extend to local elevation 111 feet.
- (4) The stop-log sluice-way shall,—
- (a) be,—
- (i) 10 feet 8 inches in width; and
- (ii) equipped with timber stop-logs 10 inches in thickness; and
- (b) have a sill at local elevation 102.5 feet, or 4.8 feet below "regulated" water level.
- (5) The spillway section shall,—
- (a) be,—
- (i) constructed of concrete; and
- (ii) of gravity-type design,
- with a top width of 2 feet and a down-stream slope of 7 units vertical to 4 units horizontal; and
- (b) extend westerly from the west stop-log-sluice pier to meet solid rock at local elevation 109 feet.

DESIGN AND SPECIFICATIONS

2. The dam is designed to resist,—
- (a) the hydrostatic pressure on the up-stream face, with water-elevation at local elevation 111 feet; and
- (b) in combination with water at local elevation 107.3 feet, an ice pressure of 2000 pounds per lineal foot.
3. For design purposes, the concrete has been taken as weighing 150 pounds per cubic foot.
4. The stop-logs are designed for a working-stress of 800 pounds per square inch.
5. The specification of concrete for the dam is 2500 pounds per square inch.
6. The specification of reinforcing steel is Billet-steel with 18000 pounds per square inch allowable working stress.
7. The dam shall be built on solid rock which underlies the site.

JOHN G. PIERCE,
Engineer in charge of the work.

THE LIGHTNING RODS ACT, 1948

O. Reg. 24/49.
General.
Revoking O. Reg. 8/45.
Made—9th February, 1949.
Filed—14th February, 1949, 10.30 a.m.

REGULATIONS MADE UNDER
THE LIGHTNING RODS ACT, 1948

INTERPRETATION

1. In these regulations,—

- (a) "air-terminal" means a pointed tube or rod extending upwards from a conductor;
- (b) "air-terminal support" means a device used for the purpose of holding an air-terminal firmly in position;
- (c) "auxiliary grounding" means an additional grounding connected to a main grounding;
- (d) "bonded" means in permanent and tight mechanical and electrical contact;
- (e) "branch-conductor" means a conductor which branches off at an angle from a continuous run of conductor;
- (f) "cable" means a number of wires twisted or braided to form a conductor;
- (g) "conductor" means that portion of a system designed to carry the current of a lightning discharge to ground;
- (h) "cone of protection" means a vertical cone that has an air-terminal point at its apex and with the radius of its base not greater than the vertical height of the air-terminal above the base;
- (i) "connector" means a device used to make a connexion between 2 conductors or between a conductor and another part of a system or between a conductor and a metallic object;
- (j) "copper-clad steel" means steel having a continuous coating of copper welded to it, the coating of copper constituting at least one-fourth of the total cross-sectional area;
- (k) "dead-end conductor" means a conductor having no grounding other than through the conductor from which it branches;
- (l) "down-conductor" means the vertical portion of a conductor which ends at a ground connexion;
- (m) "fastener" means a device used to hold a conductor in place;
- (n) "flat roof" means a roof that is horizontal or has a vertical rise of not more than 1 foot for each 4 feet measured horizontally;
- (o) "galvanized" means protected with a coating of zinc capable of withstanding four one-minute immersions in a saturated copper sulphate solution without showing a fixed deposit of copper;
- (p) "gauge" means a measure of the diameter of wire or the thickness of sheet metal in accordance with the American Wire Gauge or Brown and Sharpe Gauge Standards;
- (q) "grounding" means that portion of a conductor underground, making electrical contact with the earth;
- (r) "ground-rod" means a solid rod of copper, copper-clad steel or galvanized steel used as a grounding;
- (s) "independent grounding" means a grounding which is connected to some metallic object but not to the main system;
- (t) "main grounding" means that portion of a

grounding that is the direct continuation of a down-conductor;

- (u) "metal-clad" means having sides made of or covered with metal;
- (v) "metal-roofed" means having a roof made of or covered with metal; and
- (w) "system" means materials assembled and installed on a building or structure for the purpose of protecting it from damage by lightning.

2. Regulations 3 to 56, both inclusive, shall not apply to,—

- (a) tall chimneys of power, heating and processing plants, or
- (b) explosive-magazines, oil-tanks and reservoirs.

MATERIALS

3.—(1) Materials used in a system, except,—

- (a) copper-clad steel and galvanized steel rods used as groundings;
- (b) galvanized iron used for air-terminal supports, connectors, nails, screws, bolts and plates for making connexions to a metal roof or metal siding; and
- (c) lead used as anchors or to protect other materials from corrosion,

shall be copper, copper alloy or aluminum.

(2) Aluminum, whether part of a system or of a structure on which it is installed, shall not be in contact with copper or copper alloy.

(3) Aluminum shall not be installed underground or embedded in concrete or masonry.

CABLE CONDUCTORS

4.—(1) Cable shall consist of not less than 7 wires of soft drawn copper or aluminum, no wire in the core being of lighter gauge than the smallest surface wire and no wire less than 17-gauge copper or 14-gauge aluminum.

(2) On structures not exceeding 60 feet in height copper cable shall weigh not less than 3 ounces and aluminum cable not less than 2 ounces a linear foot.

(3) On structures exceeding 60 feet in height copper cable shall weigh not less than 4 ounces and aluminum cable not less than 2.75 ounces a linear foot.

(4) Where a structure consists of sections of different heights, the cable protecting each section shall weigh at least as much as the cable required for separate structures of the same respective heights.

JOINTS IN CABLE CONDUCTORS

5.—(1) Joints in and connexions to cable conductors shall withstand a pull of 200 pounds and provide permanent electrical contact.

(2) A straight, T or Y cable-connexion shall be made with a connector of at least 17-gauge malleable copper or copper alloy or 14-gauge aluminum and of such design as will ensure contact of the connector with at least 3 inches of each of the inter-connected cables, except that a T or Y connexion may be made by unravelling at least 10 inches of the end of one cable, dividing it into two equal or nearly equal parts, tightly wrapping the two parts in opposite directions around and along the other cable and securing the ends of the wires against becoming loose.

(3) Where 2 cables cross each other they shall be bonded by a crimped, bolted or rivetted connector fitted snugly around both cables or by wrapping them together at the intersection with not less than 4 loops of 14-gauge or larger wire.

STRAP CONDUCTORS

6.—(1) Strap conductors shall be at least 17-gauge copper or 14-gauge aluminum, not less than 1½ inches wide on buildings and structures not exceeding 60 feet in height and 2 inches wide on buildings and structures exceeding 60 feet in height.

(2) Holes in strap conductors to accommodate bolts, rivets and screws shall be spaced at least ¾ inch from centre to centre and at least ¼ inch from the edges of the strap.

(3) Strap conductors shall have only such holes as are necessary for fasteners, connexions and adjustment of the strap when used to ground or interconnect metallic bodies.

JOINTS IN STRAP CONDUCTORS

7.—(1) A straight, T or Y strap connexion shall be made by means of at least 2 bolts or 2 rivets and with an overlap equal to the width of the strap.

(2) Where 2 strap conductors cross they shall be bonded by means of a bolt or rivet.

(3) Rivets and bolts used in making strap connexions shall be of at least ¼ inch diameter and of suitable length to ensure a tight connexion.

STRAP-TO-STRAP CONNEXIONS

8. A straight, T, Y or cross-connexion between a cable and a strap conductor shall be made with a connector rivetted or bolted to the strap and tightly fitted around at least 3 inches of the cable.

SUBSTITUTION FOR CONDUCTORS

9. Except as provided in subregulation 1 of regulation 49 and subregulation 2 of regulation 50 extended metal attachments or metal parts of buildings and structures shall not be substituted for conductors unless the metal is permanently electrically continuous and consists of copper, copper alloy or aluminum with an exposed area of at least 8 inches wide throughout its length, but for monuments or similar structures heavy and extensive parts consisting of other conducting metals and weighing at least 3 pounds a linear foot may be used instead of conductors.

COURSING OF CONDUCTORS

10.—(1) Conductors shall be coursed over roofs and along roof ridges and parapets so as to interconnect the air-terminals in as direct a path as practicable and over the eaves in as direct a path as practicable to the best locations for ground connexions, but where the nature or construction of a roof is such that it is difficult or objectionable to make attachments to it, the conductor may be coursed on the facing-board parallel to the roof and a connexion shall be made near the eaves between any metal eaves-trough and the conductor, and in the case of metal roofs, between the metal eaves and the conductor.

(2) There shall be at least 2 down-conductors on each building and structure except flag poles, masts, similar slender objects and silos that do not require more than 1 grounding under subregulation 3 of regulation 53.

(3) On flat roofs conductors shall be coursed within 2 feet of the edges of the roof or on the parapets.

(4) Where a flat roof is more than 40 feet in its

shorter dimension conductors, in addition to conductors within 2 feet of the edges of the roof or on the parapets, shall be coursed over the roof in such manner that there are parallel conductors in 2 directions not more than 35 feet apart.

PROHIBITIONS IN COURSING

11.—(1) No dead-end conductor shall exceed 16 feet in length.

(2) No conductor shall be electrically insulated from the building or structure on which it is installed.

(3) Except as provided in subregulation 2 of regulation 31 for the protection of groundings from corrosion, no conductor shall be run through metal pipe other than pipe of copper, copper alloy or aluminum and the conductor shall be electrically connected to each end of the pipe.

(4) No conductor shall be coursed across a roof-slope near the eaves or in any other location where snow or ice might dislodge or damage the conductor.

(5) No cable shall be suspended for a distance of more than 4 feet without adequate intermediate support.

(6) Any conductor around a chimney, eaves or other projecting part of a structure, shall not be coursed abruptly, but on an open curve or angle.

(7) No conductor shall be less than 6 feet from metal frames and cases of electrical equipment, metal conduits and other metal raceways, where practicable; but if a separation of 6 feet is not practicable, they shall be interconnected with the conductor.

MANNER OF COURSING

12. Conductors shall be coursed neatly and sufficiently tight to present a good appearance, but on grain elevators and other structures subject to physical deformation through cycles of loading and un-loading, the conductors shall have sufficient flexibility to guard against breakage.

LIMIT OF VERTICAL RISE

13. Conductors shall be coursed so that there is not a rise of more than 10 inches from any point in the conductor to any other point in the conductor in reaching at least 1 grounding, except that in the case of dead-end conductors, there shall not be more than a 6-inch rise, and in no case shall there be a rise of more than an inch in any 2 inches horizontally.

AVOIDANCE OF INTERIOR METALS

14. Where practicable, no conductor shall be within 6 feet of metal stalls, stanchions, litter-carrier tracks, pipes, posts, beams, water-tanks, stoves, furnaces or other interior metal objects, but if within 6 feet it shall be connected to them, as prescribed in regulation 45.

COURSING AROUND OBSTRUCTIONS

15. Where a cupola, ventilator or other obstruction prevents a straight run of conductor, the conductor shall be coursed horizontally around the obstruction and where the obstruction is of size or design requiring more than 1 air-terminal, the conductor shall also be coursed over the obstruction.

DOWN-CONDUCTORS

RECTANGULAR BUILDINGS AND STRUCTURES

16.—(1) On rectangular buildings and structures with other than flat roofs there shall be at least 2

down-conductors, and if the structure is more than 100 feet in length, there shall be an additional down-conductor for each 60 feet or part thereof in excess of 100 feet.

(2) On rectangular buildings and structures with flat roofs there shall be at least 2 down-conductors and where the perimeter of the building is more than 200 feet, there shall be an additional down-conductor for each 100 feet or part thereof in excess of 200 feet.

BUILDING WITH ANNEXES

17.—(1) On buildings with L, T or off-set wing portions conductors shall be provided for the main portion as if it were independent of the wing portions, but where practicable the down-conductors on the main portion may serve as down-conductors for the wing portions by connecting the conductors on the wing portions to them.

(2) A wing portion of a building having its roof ridge less than 10 inches below the roof ridge of the main portion shall have an additional down-conductor for each 80 feet of length or part thereof, measured along the wall or foundation, and the conductors on the wing portion and the main portion shall be interconnected at the junction of the 2 ridges.

(3) Except annexes provided for in regulation 54, a wing portion of a building having its roof ridge more than 10 inches below the roof ridge of the main portion shall have 2 down-conductors and where the wing portion is more than 100 feet in length, measured along the wall or foundation it shall have an additional down-conductor for each 60 feet of length or part thereof in excess of 100 feet, and where the roof ridge of a wing portion intersects the upper half of a main roof, the conductor on the ridge of the wing portion shall be connected with the conductor on the ridge of the main portion.

H-SHAPED BUILDINGS

18.—(1) Where the roof ridge of the interconnecting portion of an H-shaped building is not more than 10 inches below the roof ridges of the main portions it shall have a down-conductor if its roof ridge extends more than 100 feet and an additional down-conductor if the roof ridge extends more than 140 feet.

(2) Where the roof ridge of the interconnecting portion of an H-shaped building is more than 10 inches below the roof ridges of the main portions it shall have a down-conductor and if the roof ridge extends more than 60 feet, an additional down-conductor for each 60 feet of interconnecting roof ridge or part thereof in excess of 60 feet.

PROTECTION FROM DAMAGE ON SCHOOLS AND BARNES

19.—(1) On schools down-conductors shall be protected from damage or displacement by means of wood in the form of moulding, box or trough extending to a height of at least 10 feet from the ground and securely fastened to the wall,—

- (a) on wood, by at least 2 metal straps and screws, and
- (b) on brick or masonry, by 2 metal straps and screws in lead anchors.

(2) On barns and other buildings where down-conductors are likely to be displaced or damaged by live stock or vehicles, the down-conductors shall be protected against displacement or damage.

FASTENERS

20.—(1) Conductors shall be securely attached in place with fasteners suitable for the type and size of conductor and the nature of the structure.

(2) Lead may be used for anchors in brickwork or masonry but wedges of wood shall not be used as anchors for fasteners.

(3) Fasteners shall consist of straps and screws, screw-shank fasteners, fan-shank fasteners and drive-shank fasteners and each fastener shall when installed, be capable of withstanding a direct pull of 100 pounds.

(4) Strap conductors shall be securely supported in place,—

(a) on wood, by means of screw-nails or drive-screws spaced at intervals of not more than 6 feet if installed in pairs and not more than 3 feet if installed singly; and

(b) on brick or other masonry, by means of expansion-screws at least $\frac{1}{4}$ inch in diameter screwed into anchors and spaced at intervals as provided in clause *a*.

(5) Strap fasteners shall be at least 20-gauge copper or 18-gauge aluminum and at least 0.4 inch in width and shaped to fit snugly over the conductor.

(6) Strap fasteners shall be secured in place,—

(a) in wood, by 2 screw-nails or drive-screws at least $\frac{5}{8}$ inch in length or by straight nails at least $1\frac{1}{8}$ inches long and coated with an asphalt base, cement or other substance which provides a permanent installation; or

(b) in brick or masonry, by screws in anchors.

SHANK-TYPE FASTENERS

21.—(1) Shank-type fasteners shall be provided with a fork of substantial construction which can be closed by bending without causing cracks in the metal.

(2) The shank of screw-shank fasteners shall be,—

(a) in wood, equivalent to a No. 10 wood-screw $1\frac{1}{4}$ inches in length; and

(b) in brickwork or masonry, at least $\frac{1}{4}$ inch in diameter and of sufficient length to provide a permanent installation.

(3) The shank of fan-shank fasteners shall be approximately $\frac{1}{2}$ inch wide at the narrowest point and at least $1\frac{1}{10}$ inch thick and 3 inches long.

(4) The shank of drive-shank fasteners shall be ribbed or barbed to grip the hole when driven in or so constructed that the shank expands in the hole or anchor when driven or tamped into place.

SPACING AND LOCATION OF FASTENERS

22. Except as provided in subregulation 4 of regulation 20 and regulation 23, fasteners shall be required,—

(a) within 6 inches of all air-terminal connexions to the conductor;

(b) within 6 inches of every interconnexion of conductors;

(c) on down-conductors within 3 feet of ground level and within 4 feet of the eaves;

(d) on conductors, within 12 inches of and above the eaves;

(e) at or within 12 inches of all principal turns in the conductor;

(f) at intermediate points so that no space between fasteners exceeds 6 feet; and

(g) independent of non-permanent attachments to or on buildings and structures.

WHERE FASTENERS MAY BE OMITTED

23. Fasteners shall not be required in such numbers and at such intervals as prescribed in regulation 22,—

(a) where structural features make them unnecessary; or

(b) where excessive damage to the building or structure would result; or

(c) where the conductor is concealed under roofing or other cover; or

(d) where corrugated tile or other roof materials form a suitable channel for the conductor;

provided that the conductor is supported and secured so that it will not be displaced or damaged.

AIR-TERMINALS

24.—(1) Air-terminal tubing shall consist of 20-gauge copper or copper alloy or 18-gauge aluminum.

(2) Air-terminal rods of copper or copper alloy shall be $\frac{7}{16}$ inch in diameter, and, of aluminum, $\frac{1}{2}$ inch in diameter.

HEIGHT OF AIR-TERMINALS

25. The minimum height of air-terminals shall be,—

(a) on flag poles, masts, spires and similar objects and parts of structures, 9 inches above the top of the object or part;

(b) on roof-ridges and roof-parapets, of combustible material, 12 inches above them, and where the roof and roof-ridge or the parapet is of non-combustible material 9 inches above them;

(c) on flat roofs, 18 inches above them;

(d) on or beside chimneys, ventilators or cupolas, of other than metal, 12 inches above the top; and

(e) on silos, 12 inches above them.

PLACES WHERE AIR-TERMINALS REQUIRED

26. Air-terminals shall be installed,—

(a) within $1\frac{1}{2}$ times the height of the air-terminal from each exposed gable and each corner of a flat roof, roof deck or parapet;

(b) within $1\frac{1}{2}$ times the height of the air-terminal, not exceeding 6 feet in distance, from the outer corners of a dormer having a flat roof where,—

(i) the junction of the dormer roof and the main roof is less than 3 feet vertically below the main ridge, or

(ii) the dormer roof extends more than 6 feet horizontally from the main ridge;

(c) within $1\frac{1}{2}$ times the height of the air-terminal, not exceeding 6 feet in distance, from the gable of a dormer having a roof-ridge less than 3 feet vertically below the main ridge or extending more than 6 feet horizontally from the main roof;

(d) on or within 12 inches of each non-metallic projection above the roof or parapet;

- (e) on or beside chimneys so that the distance from any part of the top of the chimney to an air-terminal is not greater than $1\frac{1}{2}$ times the height of the air-terminal, but not exceeding 30 inches, above the top of the chimney;
- (f) within 12 inches of a stove-pipe projecting through a roof;
- (g) along roof ridges and parapets at intervals not exceeding 10 times the combined heights of the 2 adjacent air-terminals, but in no case exceeding 25 feet; and
- (h) on flat roofs at intervals not exceeding 35 feet.

PLACES WHERE AIR-TERMINALS NOT REQUIRED

27. Air-terminals shall not be required on heavy smoke-stacks or other permanent metal projections but such projections shall be bonded to the conductor.

AIR-TERMINAL CONNEXIONS

28.—(1) Air-terminal connexions shall withstand a pull of 50 pounds.

(2) Connexions to metal roofs shall be made by means of metal plates or straps, having not less than 9 square inches in tight contact with the roof-metal and securely fastened to the roof by means of screws or rivets.

(3) Connexions to strap conductors shall be by bolts or rivets.

SUPPORTS FOR AIR-TERMINALS

29.—(1) Air-terminals shall be securely supported in position by braces, brackets or other appropriate devices.

(2) Braces shall,—

(a) be made of at least 15-gauge copper or copper alloy or 14-gauge aluminum strap, not less than $1\frac{1}{4}$ inches in width, or copper, copper alloy, aluminum or galvanized iron rods not less than $\frac{1}{4}$ inch in diameter;

(b) not exceed 40 inches in height and if over 18 inches in height have 2 guides for the air-terminals;

(c) be held in position on wood by means of 2 screws in each foot; and

(d) be held in position on concrete roofs, brick parapets and other masonry by means of an expansion-screw in a lead anchor or equivalent in each foot.

(3) Brackets shall,—

(a) be made of copper, copper alloy or aluminum;

(b) be designed to fit into air-terminal tubes for a distance of at least 2 inches; and

(c) be attached to the sides of chimneys or other vertical masonry surfaces by substantial fasteners, and to wood surfaces by at least 3 screws not less than $1\frac{1}{4}$ inches in length.

(4) Appropriate devices other than braces and brackets shall be,—

(a) copper straps and bolts or rivets encircling the supporting object;

(b) fasteners prescribed in subregulation 6 of regulation 20; or

(c) substantial cast footings, if the air-terminal is not more than 2 feet in height and is tightly crimped onto a dowel 2 inches in length.

GROUNDINGS

MATERIALS

30. Groundings shall consist of copper cable, round copper or copper-clad steel rods not less than $\frac{1}{2}$ inch in diameter, round galvanized steel rods not less than $\frac{3}{4}$ inch in diameter or copper plates.

LOCATIONS

31.—(1) Groundings shall be spaced around buildings and structures so that the conductor can be coursed over the eaves to the groundings as direct as practicable.

(2) Groundings shall not be located as to be subject to corrosion by barn-yard seepage or chemicals unless they are protected by a solid lead pipe or tube from a point at least 12 inches above to a depth of 3 feet below the ground level, with the top end so sealed as to make it moisture-proof.

(3) Groundings shall not be within 6 feet from any gas main, gasoline tank or groundings for electric equipment or electric-wiring systems, but underground water-pipes may be used as a common grounding.

(4) Auxiliary groundings shall be so installed as to make use of the greatest area of soil.

METHOD OF INSTALLATION

32.—(1) In addition to groundings prescribed in regulation 31, where an underground water-pipe is available a down-conductor shall be connected to it underground and outside any building.

(2) When a grounding is installed with a drive-bar or with a soil-auger, the hole surrounding the grounding shall be filled and tamped with dry soil or soil mixed with water to the consistency of thin mud.

(3) Coke, cinders or salt shall not be placed around groundings.

(4) Connexions of ground-rods to copper down-conductors shall be made between 6 inches and 12 inches below ground, and to aluminum down-conductors between 6 inches and 12 inches above ground.

(5) Groundings connected to aluminum down-conductors shall be galvanized-steel ground-rods.

(6) Connectors for groundings shall be,—

(a) copper or copper alloy for copper conductor; and

(b) aluminum or galvanized iron for aluminum conductor.

MANNER OF CONNECTING

33.—(1) A down-conductor shall be connected to a ground-rod by a clamp fitted and bolted tight around and in tight contact with 5 inches of the down-conductor and 5 inches of the ground-rod.

(2) An interconnexion of auxiliary groundings or a connexion of an auxiliary grounding to a main grounding shall be made as prescribed in regulation 5.

(3) A connexion to a water-pipe shall be made by means of a clamp bolted tight around the pipe after removal of rust and scale.

(4) A connexion to a copper plate shall be made by rivets, bolts or solder.

DEEP CLAY SOIL

34. In deep soil consisting chiefly of clay, including clay loam, groundings shall be made,—

- (a) by extending cable or ground-rods into the ground to a vertical depth of at least 10 feet;
- (b) by extending cable or ground-rods down to a depth of at least 6 feet, and adding an auxiliary grounding; or
- (c) by covering cable in a trench for a distance of at least 12 feet and at a depth of at least 2 feet throughout its length.

DEEP SAND, GRAVEL OR STONES

35. In deep soil, consisting chiefly of sand, gravel and stones, including sandy loam, groundings shall be made,—

- (a) by extending cable or ground-rods into the ground to a vertical depth of at least 10 feet and adding an auxiliary grounding;
- (b) by covering cable in a trench for a distance of at least 12 feet and at a depth of at least 2 feet throughout its length and adding an auxiliary grounding.

SHALLOW CLAY SOIL

36. In soil consisting chiefly of clay, including clay loam, where hard-pan or bed-rock is near the surface, groundings shall be made,—

- (a) if the hard-pan or bed-rock is at least 2 feet below the surface, by covering cable in a trench for a distance of at least 12 feet;
- (b) if the hard-pan or bed-rock is at least 12 inches but less than 2 feet below the surface, by covering cable in a trench for a distance of at least 12 feet and adding an auxiliary grounding; or
- (c) if the hard-pan or bed-rock is less than 12 inches below the surface, by covering cable in a trench for a distance of at least 12 feet and adding 2 auxiliary groundings.

SHALLOW SAND, GRAVEL OR STONES

37. In soil consisting chiefly of sand, gravel and stones, including sandy loam, where hard-pan or bed-rock is near the surface, groundings shall be made,—

- (a) if the hard-pan or bed-rock is at least 2 feet below the surface, by covering cable in a trench for a distance of at least 12 feet and adding an auxiliary grounding;
- (b) if the hard-pan or bed-rock is at least 12 inches but less than 2 feet below the surface, by covering cable in a trench for a distance of at least 12 feet and adding 2 auxiliary groundings; or
- (c) if the hard-pan or bed-rock is less than 12 inches below the surface, by connecting all the down-conductors to a cable laid in a trench encircling the structure at a distance of at least 2 feet from the walls and adding 2 well-separated auxiliary groundings to the encircling cable for each down-conductor.

QUICKSAND

38. When quicksand is encountered, if a depth of 10 feet cannot be attained, the groundings shall be made by extending them down to the quicksand and adding an auxiliary grounding.

AUXILIARY GROUNDINGS

39. An auxiliary grounding shall be,—

- (a) cable laid for a distance of 12 feet in a trench, or laid for a distance of at least 6 feet in a trench and then extended to a vertical depth of 10 feet below the surface of the earth, or to a depth equal to the depth of the main grounding to which it is connected, but not less than 6 feet where a depth of 10 feet cannot be reached, except that the vertical portion may be a ground-rod; or
- (b) a copper plate not less than 1/16 inch in thickness and not less than 3 square feet in area on each side, embedded in a depth of 12 inches of well-packed powdered charcoal.

TRENCH

40. A trench, for the purpose of installing groundings and auxiliary groundings shall be at least 2 feet in depth throughout its length or down to hard-pan or bed-rock.

OHMIC RESISTANCE

41. Notwithstanding that a certificate of installation on form 5 has been signed by the person who installed lightning rods and the owner or his agent, the electrical resistance of the interconnected groundings in parallel shall not exceed 50 ohms.

INTERCONNEXION AND GROUNDING OF METALLIC BODIES

EXTERIOR ROOF METALS

42.—(1) Metal on the exterior of a roof shall,—

- (a) if vertical, be connected to the conductor at the roof-line or from its lower end except where it has an independent grounding and is 6 feet from the conductor;
- (b) if a water-tank, bell or other compact metallic body, be connected to the conductor, except where it has an independent grounding and is 10 feet from the conductor;
- (c) if linear along roof ridges, parapets, cornices or other exposed locations, be connected to the conductor or other grounded metal; or
- (d) if an extension to a chimney, be connected to the conductor.

(2) Metal roofs, including isolated metal sections, shall be grounded.

EXTERIOR WALL METALS

43.—(1) Metal on the exterior of the walls of a building or structure shall,—

- (a) if a rain-spout, guy-wire, support of a litter-carrier track or other vertical metal, be grounded from its lower end and connected from its upper end to conductors within 6 feet and metal roofs within 3 feet; or
- (b) if a door track or other horizontal metal, less than 12 feet in length, be connected to conductors within 4 feet, and more than 12 feet in length, be connected to conductors within 6 feet.

(2) Metal siding, including isolated sections, shall be grounded.

METALS PROJECTING THROUGH WALLS AND ROOFS

44.—(1) Metal projecting through a roof shall be

grounded from its lower end and connected to conductors and other metal within 6 feet on or projecting through the roof.

(2) Metal projecting through a wall shall be grounded from the end or lowest point within the structure and from the point where it emerges from the structure and connected to conductors and other metal within 6 feet, where practicable.

INTERIOR METALS CLOSE TO CONDUCTORS

45. Metal inside a structure and within 6 feet of a conductor shall,—

- (a) if shafting, stanchions, litter-carrier track or horizontal pipe, be connected to conductors within 6 feet where practicable and grounded from its farther extremity or extremities, and have an independent grounding for each 100 linear feet or part thereof;
- (b) if a ventilating shaft, pipe or other vertical metal, be grounded from its lower end and, where practicable, connected at or near the top of the metal to conductors within 6 feet;
- (c) if a hay-fork track, be connected to a conductor from each end that is less than 6 feet from an exposed wall of the structure, and have a connexion to a conductor or an independent grounding in any case; or
- (d) if a water-tank, engine or other heavy compact stationary metal body, be connected to conductors within 6 feet, where practicable, and have an independent grounding.

INTERIOR METALS REMOTE FROM CONDUCTORS

46.—(1) Metal within a structure and not within 6 feet of or connected to a conductor shall,—

- (a) if a litter-carrier track, have an independent grounding for each 100 feet or part thereof;
- (b) if pipes, stanchions or enclosed stalls, have an independent grounding for each pipe, stanchion or stall or for each 100 feet or part thereof of interconnected pipes, stanchions and stalls measured along the pipes, heads of the stanchions and perimeters of the stalls;
- (c) if a hay-fork track, have an independent grounding or be connected to a conductor from an end of the track; or
- (d) if a water-tank, engine or other stationary heavy compact metal body, have an independent grounding.

(2) Interior metal more than 6 feet from a conductor but connected to it shall also have an independent grounding.

(3) Where the electrical continuity of milking-machine pipes is broken by the insertion of rubber hose or other insulating material, the break in the continuity shall not be bridged.

INDEPENDENT GROUNDINGS

47.—(1) Independent groundings for rain-spouts and for other metal bodies, more than 6 feet from and not connected to a conductor, shall be equivalent to at least 50 per cent of groundings prescribed in regulations 33 to 40, both inclusive, and a depth of 6 feet shall be deemed to be $\frac{1}{2}$ the value of a depth of 10 feet and the value of a conductor in a trench shall be proportional to the length of the trench.

(2) Independent groundings for metal bodies connected to a conductor or less than 6 feet from a con-

ductor shall be as prescribed in regulations 33 to 40, both inclusive.

CONDUCTING MATERIALS FOR CONNEXIONS TO METAL BODIES

48.—(1) Connexions of metal bodies to conductors, metal roofing or metal siding shall be made with cable or strap.

(2) Interconnexions of metal bodies not connected to conductors, metal roofing or metal siding, and connexions of metal bodies to independent groundings shall be made with at least 6-gauge copper or 4-gauge aluminum wire, twisted or braided wires of gauges prescribed in subregulation 1 of regulation 4 and $\frac{1}{2}$ the weight prescribed in subregulation 2 of regulation 4 for cable or metal strap having $\frac{1}{2}$ the cross-sectional area of strap conductors specified in subregulation 1 of regulation 6.

(3) Connexions of rain-spouts and of metal bodies, which are connected to conductors, metal roofing or metal siding to independent groundings shall be made with cable or strap.

METAL-ROOFED, METAL-CLAD AND STEEL-FRAME BUILDINGS AND STRUCTURES

MANNER OF INSTALLATION OF SYSTEMS

49.—(1) Metal roofs shall be provided with air-terminals as prescribed under regulation 26.

(2) A conductor shall be coursed over a metal roof in the same manner as over a roof other than metal, but coursing shall not be required where a metal roof is grounded by attaching conductors to the eaves or to grounded metal siding, but only where the roof and siding are in good electrical contact or the eaves and siding are interconnected in at least 3 places at intervals not exceeding 40 feet.

(3) A metal-roof slope or interconnected metal-roof slopes, when grounded through conductors attached to the eaves, shall have 2 down-conductors if the length of the eaves or interconnected eaves exceeds 30 feet and 3 down-conductors if the length exceeds 100 feet.

(4) Where groundings are connected to metal siding only, they shall be installed at the main corners of the building or structure and at intervals not exceeding 100 feet measured horizontally along the metal siding.

(5) Connexions of conductors to metal eaves and metal siding shall be made by means of metal plates having an area of tight contact of at least 9 square inches and secured by bolts, rivets or screws.

STRUCTURAL METALS

50.—(1) Independent metal trusses or other units of framework of a building or structure shall be grounded from the lower end and be connected from the upper end to conductors, metal roof or metal siding if within 6 feet thereof.

(2) Steel-frame or skeleton-steel buildings and structures may be equipped with air-terminals connected to the grounded steel frame.

STATIONARY METAL BODIES

51.—(1) Metal bodies in, on or projecting from metal-roofed and metal-clad buildings and structures shall be connected, interconnected and grounded as prescribed in regulations 42 to 47, both inclusive, but connexions may be made to the metal roof or metal siding instead of to conductors.

(2) All parts of metal roofs and metal siding shall be bonded and grounded, but if more than 6 feet apart may be grounded independently.

MISCELLANEOUS STRUCTURES

TALL PROJECTIONS

52. Flag poles, radio masts, towers, spires and smoke-stacks may be equipped with a system independent of the structure of which they are a part or on which they are erected, but if the structure is equipped with a system, the systems shall be interconnected.

SILOS

53.—(1) A silo within 8 feet of a building and extending above the adjacent roof-line shall be a part of the building for purposes of this Act.

(2) Air-terminals shall be installed on silos as follows,—

- (a) on conical or pointed roofs, one air-terminal;
(b) on ridge roofs and roofs with dormers, as prescribed under regulation 26; and
(c) on open silos, 2 or more air-terminals spaced not more than 25 feet apart, measured around the outside of the wall, and interconnected by cable or strap.

(3) Conductors on silos may have separate groundings or be connected to a conductor on an adjacent building or structure, or both, and if a silo has an outside diameter more than 14 feet or extends more than 4 feet above the adjacent roof-line, it shall have at least 2 groundings.

SMALL ANNEXES

54. An annex shall be a part of the building or structure for purposes of this Act, except where,—

- (a) it is not more than 8 feet in height, including chimneys, vents and other projections;
(b) its height plus the distance it extends from the main building or structure is not greater than 3/4 of the height of the adjoining wall of the main building or structure; or
(c) it is wholly within a cone of protection.

WIRES

55.—(1) Fence wires, metal clothes-lines, metal guy-wires and similar wires shall be disconnected or electrically insulated from a building or structure or grounded.

(2) Where a wire is connected to a conductor on a building or structure it shall also have an independent grounding at the end remote from the building or structure.

THE MILK CONTROL ACT, 1948

O. Reg. 27/49.

General and Revoking O. Regs. 63/45,
250/47, 262/47, 266/47, 270/47,
11/48, 19/48, 26/48 and 37/48.

Made—1949.

Filed—18th February, 1949, 3.00 p.m.

REGULATIONS MADE BY THE BOARD
UNDER THE MILK CONTROL
ACT, 1948

INTERPRETATION

1. In these regulations,—

- (a) "fluid milk" means milk distributed in its natural state and includes pasteurized milk;
- (b) "manufacturing milk price" means the price payable to producers by processors for milk as determined by collective bargaining under section 7 of the Act or by arbitration under section 8 of the Act;
- (c) "peddler" means a person who operates a milk-delivery business and who obtains the milk delivered from a distributor;
- (d) "producer-distributor" means a producer who distributes fluid milk produced by his own cows; and
- (e) "regular distributor" means a distributor other than a peddler or a producer-distributor.

PART I

GENERAL

LICENCES

2. This part shall apply to processors, distributors and transporters.

3. The following classes of distributors are designated:

- (a) regular distributors;
- (b) producer-distributors; and
- (c) peddlers.

4. The Board may issue a licence to,—

- (a) a regular distributor, in form 1;
- (b) a producer-distributor, in form 2;
- (c) a peddler, in form 3;
- (d) a processor, in form 4; and
- (e) a transporter, in form 5.

5.—(1) Except under the authority of a licence,—

- (a) no distributor, producer-distributor, peddler or processor shall engage in the business of distributing or processing milk; and
- (b) no transporter shall engage in the business of transporting milk to a market having a representative group of producers, distributors, processors and transporters organized for the purpose of making recommendations to the Board in respect of transportation of milk.

(2) Subregulation 1 shall not apply to a shopkeeper.

6. An application for a licence shall be made to the Board and shall be, in the case of,—

- (a) a regular distributor, producer-distributor or peddler, in form 6;
- (b) a processor, in form 7; and
- (c) a transporter, in form 8.

7.—(1) Licences, other than transport licences, shall be valid from and including the 1st of January in the year of issue to and including the 31st of December in the same year.

(2) A transporter's licence shall be valid from and including the 1st of April in the year in which the licence is issued to and including the 31st of March in the following year.

8. Licences shall not be transferable.

9. The fee for every licence shall be \$1 and shall be transmitted to the Board with the application for the licence.

RETURNS

10. Producers, transporters, processors, distributors and persons who keep for sale or sell milk shall furnish to the Board such information or returns as the Board may determine.

EXEMPTIONS

11. A producer-distributor who sells not more than 20 quarts of milk or 3 quarts of cream a day in that part of Ontario where milk is not required to be pasteurized under *The Public Health Act* or regulations thereunder, and a producer who sells pasteurized cream in any public market where products of the farm are sold direct to consumers and the cream is not delivered to the premises of the consumer are exempt from this Act and the regulations.

FIELD-MEN

12. A field-man may enter the premises of any distributor or processor, and may,—

- (a) with respect to the purchase and sale of milk, require production of and examine all books, records, tests and other things relating to milk;
- (b) make any tests which may be requisite for checking butter-fat content or otherwise of milk; and
- (c) require lists certified by the processors or distributors of all producers and others supplying milk to them.

REVOCATION

13. Ontario Regulations 63/45, 250/47, 262/47, 266/47, 270/47, 11/48, 19/48, 26/48, and 37/48 are revoked.

PART II

FLUID-MILK DISTRIBUTION

14. This part shall apply to fluid-milk distribution.

15. The Board shall not issue a licence to a distributor until approval of the plant and equipment of the distributor has been obtained from the Ontario Department of Health.

16. No person shall supply milk to or pasteurize milk for any other person for resale unless that other person is the holder of a licence under these regulations or is exempt from the Act or these regulations.

17. If a distributor discontinues business as a distributor or discontinues the sale and regular delivery of milk to consumers his licence shall be revoked.

18. Where a distributor operates more than one plant, he shall obtain a separate licence for each plant.

19. A peddler may operate one delivery vehicle only.

TERMS OF PAYMENT

20. Subject to subsection 1 of section 7 of the Act, where milk is purchased from a producer,—

- (a) on a weekly credit basis, the milk received during any one week shall be paid for not later than Wednesday of the following week;
- (b) on a bi-weekly credit basis, milk received during any period of two weeks shall be paid for not later than the 10th day thereafter;
- (c) on a twice-a-month credit basis, milk received during the first half of the month shall be paid for not later than the 25th day of the month and milk received during the remainder of the month shall be paid for not later than the 10th day of the following month; and
- (d) on a monthly credit basis, the milk received during any one month shall be paid for not later than the 15th day of the following month.

21.—(1) With the annual application for a distributor's licence a distributor shall deposit with the Board security in the form of,—

- (a) direct and guaranteed securities of the Government of Canada;
- (b) direct and guaranteed securities of the Government of Ontario; or
- (c) a surety bond of a guarantee company approved under *The Guarantee Companies Securities Act*, in form 9;

in an amount in accordance with regulation 22.

(2) Subregulation 1 shall not apply to,—

- (a) a distributor who purchases no milk from producers; or
- (b) a distributor whose monthly purchases of milk are less than \$500 and who has with the approval of the Board made arrangements for weekly payment.

22.—(1) Where security is required under regulation 21 it shall be in the following amounts:

- (a) where producers are paid on a weekly, bi-weekly or twice-a-month basis, not less than the value of milk received from producers during a period of 30 days;
- (b) where producers are paid on a monthly basis, not less than the value of milk received from producers during a period of 45 days; or
- (c) where a distributor is commencing business, an estimated amount based on clause *a* or *b* but not less than \$500.

(2) Subject to clause *c* of subregulation 1, the minimum value of milk for the determination of the amount of the security shall be the average monthly value of milk delivered to the distributor during the previous year.

23. No milk distributor shall,—

- (a) deliver milk to shopkeepers or retail consumers except by means of the regular delivery vehicle for the area in which the consumer is located, operated by the regular driver of that vehicle and during the time of the regular service for that area;
- (b) make more than seven deliveries a week to any shopkeeper or retail consumer; or
- (c) provide special delivery service to serve a portion of an area, either before or after the regular time of delivery for that area, to retail consumers.

RECORDS

24. A distributor shall keep for 12 months complete records of all milk purchased and these records shall include the following:

- (a) the weights of all milk received from each producer daily;
- (b) the weights of all milk received from sources other than producers daily;
- (c) the butter-fat test of all milk received from each producer or from any other source;
- (d) a summary of all milk received each day and during each payment period; and
- (e) the original entries of the weight of milk purchased and of the butter-fat test of the milk.

25. A distributor shall keep for 12 months a complete record of milk sold and the records shall include the following:

- (a) the number of gallons, quarts, pints, half-pints and other units of milk sold each day by each driver of a delivery vehicle and the proceeds of the sales including sales by retail and wholesale;
- (b) the number of gallons, quarts, pints, half-pints and other units of milk sold each day over the counter at the plant of the distributor and the proceeds of the sales;
- (c) the number of gallons, quarts, pints and half-pints of milk sold each day to peddlers and processors and to other distributors; and
- (d) the total of all milk sold for each payment period by the distributor including the total gallons, quarts, pints and half-pints sold and the selling price of the milk.

26.—(1) A distributor shall give a statement to each producer from whom milk has been received showing,—

- (a) the weights of milk received daily during the payment period;
- (b) the butter-fat test for the payment period;
- (c) the number of pounds of milk purchased and the price to be paid therefor;
- (d) the payment price, including differentials, and total value for each class of milk;
- (e) the value and explanation of any deductions; and
- (f) where producer quotas are in effect the number of pounds in the quota.

(2) A copy of the statement shall be kept by the distributor for 12 months.

PART III

MANUFACTURING MILK

27. This part shall apply to processors.

28. Where a processor discontinues business his licence shall be revoked.

29. Where a processor operates more than one plant, he shall obtain a separate licence for each plant.

TERMS OF PAYMENT

30. Subject to subsection 1 of section 7 of the Act, where milk is purchased from a producer,—

- (a) on a weekly credit basis, the milk received during any one week shall be paid for not later than Wednesday of the following week;
- (b) on a bi-weekly credit basis, milk received during any period of two weeks shall be paid for not later than the 10th day thereafter;
- (c) on a twice-a-month credit basis, the milk received during the first half of the month shall be paid for not later than the last day of the month and milk received during the remainder of the month shall be paid for not later than the 15th day of the following month; and
- (d) on a monthly credit basis, the milk received during any one month shall be paid for not later than the 15th day of the following month.

RECORDS

31. A processor shall keep for 12 months complete records of all milk purchased and the records shall include the following:

- (a) the weights of all milk received from each producer daily;
- (b) the weights of all milk received from sources other than producers daily;
- (c) the butter-fat test of all milk received from each producer or from any other source;
- (d) a summary of all milk received each day and during each payment period; and
- (e) the original entries of the weight of milk purchased and of the butter-fat test of the milk.

32.—(1) Every milk processor shall give a statement to each producer from whom milk has been received showing,—

- (a) the weights of milk received daily during the payment period;
- (b) the butter-fat test for the payment period;
- (c) the number of pounds of milk purchased at the manufacturing milk price;
- (d) the payment price, including differentials, and total value for each class of milk; and
- (e) the value and explanation of any deductions.

(2) A copy of the statement shall be kept by the processor for 12 months.

PART IV

TRANSPORTATION

33. This part shall apply to transporters.

34. If a transporter discontinues the business of transporting milk, his licence shall be revoked.

35. A transporter shall obtain a licence for each vehicle operated by him and he shall exhibit the licence for each route in a conspicuous place inside the cab of the vehicle.

36. A transporter shall keep for 12 months a record of all business transacted in respect of the transportation of milk including the following:

- (a) the number of cans of milk transported each day for each producer;
- (b) the name of the distributor or processor to whom the milk of each producer is delivered; and
- (c) a summary at the end of each payment period showing the total number of cans delivered to each distributor or processor from each producer.

PART V

MARKETING AGENCIES

37. This part shall apply to marketing agencies.

38. An inspector, appointed by a marketing agency, may enter the premises of any distributor or processor in the market for which the marketing agency is established, and may,—

- (a) with respect to the purchase and sale of milk, require production of and examine and make copies of all books, records and tests relating to milk in the market of the marketing agency;
- (b) make any tests which may be requisite for checking the butter-fat content or otherwise of milk in the market of the agency; and
- (c) require lists certified by the processors and distributors of all producers and others supplying milk to them.

THE PUBLIC LANDS ACT

O. Reg. 29/49.
Former Member of The Forces.
Amending O. Reg. 59/44.
Made—17th February, 1949.
Filed—21st February, 1949.

**REGULATIONS MADE UNDER
THE PUBLIC LANDS ACT**

Regulation 11 of Ontario Regulations 59/44 is revoked and the following substituted therefor:

- 11.—(1) In this regulation "former member of the forces" means a person who,—
- (a) at the time of enlistment was domiciled in Canada;
 - (b) served in a theatre of actual war in His Majesty's Active Service Forces or in the Active Service Forces of any of His Majesty's Allies, during the war of,—
 - (i) 1914 to 1918; or
 - (ii) 1939 to 1945; and
 - (c) has been,—
 - (i) honourably discharged; or

- (ii) permitted honourably to resign or retire from His Majesty's Active Service Forces or the Active Service Forces of any of His Majesty's Allies.
- (2) In subregulation 1 "theatre of actual war" means,—
- (a) in respect of World War I,—
 - (i) a zone of His Majesty's Active Service Forces or Active Service Forces of any of His Majesty's Allies on the continents of Europe, Asia or Africa, as applied to the military or air forces; and
 - (ii) the high seas or wherever contact has been made with forces of the enemy, as applied to the naval forces.
 - (b) in respect of World War II,—
 - (i) any place outside the Western Hemisphere;
 - (ii) any place in a sea-going ship of war; or
 - (iii) any place in an aircraft outside Canada and the United States of America and the territorial waters thereof.
- (3) For the purposes of subclause i of clause b of subregulation 2, "Western Hemisphere" means the continents of North and South America, the islands forming part thereof, and the territorial waters thereof, including Newfoundland, Bermuda and the West Indies, but excluding Greenland, Iceland and the Aleutian Islands.
- (4) Application for a free grant of public lands by a former member of the forces shall be in Form 2 and shall be accompanied by a certificate of discharge, resignation or retirement.
- (5) Where a former member of the forces makes application for a free grant of public lands, he shall be entitled, subject to subregulations 8, 9, 10 and 11, to a free grant not exceeding 160 acres of public lands appropriated for agricultural purposes.
- (6) A free grant under this regulation may be made on the terms and conditions that the applicant,—
- (a) reside on the land for 6 months of the period from the 1st of April to the 30th of November for 3 consecutive years following location;
 - (b) construct a habitable house having at least 320 square feet of floor space; and
 - (c) clear, stump and cultivate at least 2 acres of new land in each year until 10 per cent of the total area is under cultivation.
- (7) If the free grant is made under subregulation 9 and is of additional land of not more than 80 acres, the applicant need not reside on the additional land.
- (8) An applicant who is,—
- (a) the owner of 300 acres or more;
 - (b) the locatee or purchaser of 160 acres; or
 - (c) the patentee of public lands under regulation 12a,

shall not be entitled to a free grant of public lands.

- (9) An applicant who is the owner of less than 300 acres, or the locatee or purchaser of less than 160 acres, may apply for a free grant of additional land where the additional land comprises a whole lot or an aliquot part of a lot,

(10) A free grant of additional land under sub-regulation 9 shall not increase the total land held by an owner beyond 300 acres, or the total unpatented land held by a locatee or purchaser beyond 160 acres.

(11) Subject to subregulation 9, a former member of the forces shall not be entitled to more than one free grant of public lands.

(12) The provisions of Part II of *The Public Lands Act* shall apply to free grants to former members of the forces, except those contained in section 34; subsections 1 to 6, both inclusive, of section 36; sections 37, 38, 39, 41, 42, 42a and 44; subsections 2 to 5, both inclusive, of section 45; subsection 2 of section 46; section 48 and section 50.

MEDICAL EXAMINATIONS

6. The superintendent and the staff shall be subject to a medical examination by a duly qualified medical practitioner before appointment.

CONSTRUCTION AND ALTERATIONS

7.—(1) Before constructing a building for a charitable institution, or using as part of any building or premises of an institution any building or premises not so used before the 1st of January, 1945, the board operating or proposing to operate the charitable institution shall furnish the Minister with plans and specifications of the building or premises and a statement setting out,—

- (a) the available water supply, including the facilities for obtaining water and the quality and quantity thereof;
- (b) the location of churches, hospitals, clinics and medical practitioners and the transportation facilities available to the institution;

- (c) the drainage and sewage facilities available to the institution;
- (d) the fire-protection services available to the institution;
- (e) the acreage and general topography of the land to be used; and
- (f) the location and facilities of schools available for school-age children in the institution.

(2) Where it is proposed to alter or enlarge a building forming part of an institution, the corporation operating the institution shall furnish the Minister with plans and specifications of the alteration or enlargement and any particulars of the statement required under subregulation 1 that have not been already furnished.

BUILDING AND ACCOMMODATION

8.—(1) The grounds of every charitable institution shall,—

- (a) have adequate drainage, a safe water-supply, and sanitation facilities;
- (b) be kept clean and attractive at all times; and
- (c) provide adequate and properly protected space for recreation, suitable to the needs of the inmates.

(2) A charitable institution shall have,—

- (a) adequate inside space for recreation, toilet, washing, sleeping, eating and resting;
- (b) adequate facilities and space for office, staff, temporary isolation, and the preparation of food;
- (c) adequate and well-ventilated storage space for food, clothing, cleaning equipment and medical supplies;
- (d) rooms which are attractive, well ventilated, light, warm and safe, and create a home-like atmosphere;
- (e) walls, ceilings and floors finished in attractive colours and with materials easily washable;
- (f) adequate protection for exits, radiators, or other heating or mechanical equipment and other dangerous places or things;
- (g) adequate and sanitary refrigeration in the building; and
- (h) a well-equipped library with newspapers and periodicals suitable to the needs of the inmates, and readily accessible.

EQUIPMENT

9. The equipment of a charitable institution shall include,—

- (a) sufficient recreational equipment suitable to the needs of the inmates;
- (b) suitably-covered dining tables seating not more than 6 persons, and chairs of a size suitable to the age of the inmates;
- (c) dishes which are attractive and of good quality;
- (d) a clean, sanitary, well-screened and -ventilated kitchen;
- (e) sufficient and readily accessible cupboard space for indoor-recreation equipment;

- (f) a spacious individual locker or compartment for each inmate in which his personal belongings may be kept;
- (g) sufficient and accessible toilet and bathing facilities to provide for sanitary, healthful living, with a minimum of one wash-basin and one flush-toilet for every 5 inmates and one bathtub or shower for every 10 inmates;

- (k) individual metal beds with springs in good condition, comfortable mattresses, and attractive bed-spreads;
- (l) when necessary, moisture-resistant material to cover mattresses;
- (m) sufficient bed-covering and blankets to provide adequate warmth for each inmate;
- (n) beds in each room so placed that no part of any one bed is nearer to any other bed than $2\frac{1}{2}$ feet;
- (o) beds so placed that when an inmate is using a bed his head is not close to a radiator or other heating apparatus; and
- (p) suitable furnishings in the office, sleeping rooms and staff-rooms for the comfort of the staff and the efficient administration of the institution.

MAINTENANCE

10. A charitable institution shall be,—
- (a) kept in a clean and sanitary condition;
- (b) kept in a good state of repair in respect of premises and equipment;
- (c) provided with adequate lighting for the comfort and well-being of the inmates and staff; and
- (d) re-decorated sufficiently frequently to maintain pleasant surroundings for the inmates.

ADMISSION AND DISCHARGE

11. A board shall,—
- (a) investigate and record the circumstances of every person before his admission to ensure that institutional care is necessary;
- (b) enter into a written agreement covering the financial arrangements between the board and the person, organization or municipality responsible for the support of the inmate;
- (c) obtain written permission from the parent or guardian of a child inmate permitting the child to be immunized as required by the local medical officer of health;
- (d) at least every 6 months give consideration to the discharging of each inmate; and
- (e) where a person or social agency undertakes in writing to care for an inmate, require evidence of the ability of the person or the social agency to do so.

NUTRITION

- 12.—(1) The board of a charitable institution shall,—
- (a) provide meals balanced as to nutritional value, variety, flavour and quality, and served in attractive and palatable form;
- (b) look after the needs of various age-groups and inmates persistently underweight or overweight or suffering from any physical condition requiring a special diet prescribed by a duly qualified medical practitioner; and
- (c) arrange for the careful and sanitary handling of milk and other food.
- (2) Food shall be prepared under the supervision of a person having knowledge of nutritional needs and proper eating-habits of the inmates.
- (3) Upon request the board shall furnish a supervisor with menu cards of meals served in the institution.

MEDICAL EXAMINATION

- 13.—(1) Upon admission to a charitable institution each inmate shall be kept in isolation until a duly qualified medical practitioner has given him a complete medical examination and certified in writing that he is free from communicable disease, and that his physical condition is such that he may safely be placed with other inmates.
- (2) The examination shall be completed within 24 hours of his admission.
- (3) The medical practitioner shall make such recommendations in writing as to corrective and other treatment as he deems necessary, and his recommendations shall be carried out without undue delay.

(4) Each inmate under 16 years of age shall be immunized as required by the local medical officer of health.

(5) At least once a year each inmate shall be given a complete medical examination by a duly qualified medical practitioner.

(6) Under subregulations 1 and 5, "complete medical examination" shall include a test of vision, and a dental examination given by a duly qualified medical practitioner or a dental surgeon duly qualified under *The Dentistry Act*.

HEALTH

- 14.—(1) Each inmate shall be afforded sufficient rest and regular sleeping hours.
- (2) Separate quarters shall be provided for inmates whose health or personal habits may be detrimental to other inmates.
- (3) A board shall create and maintain a home-like atmosphere within the institution.

FIRST-AID KIT

- 15.—(1) A readily accessible first-aid kit for emergency treatment shall be maintained in each institution.
- (2) The first-aid kit shall contain,—
- (a) a standard first-aid manual;
- (b) (i) 1 pair of scissors;
- (ii) 1 pair of tweezers;

- (iii) 12 safety-pins;
 - (iv) 1 tourniquet;
 - (v) 1 graduated medicine-glass; and
 - (vi) 1 small white-enamel basin;
- (c) drugs,—
- (i) 1 ounce of aromatic spirits of ammonia;
 - (ii) 4 ounces of solution of green soap;
 - (iii) 2 ounces of any recognized skin-antiseptic, such as methyl alcohol; and
 - (iv) 1 ounce of sterile vaseline in a collapsible tube, 1 tube of ophthalmic ointment, such as borated or plain vaseline,
- in bottles or containers plainly labelled and the specific purpose for which the contents are to be used marked thereon; and
- (d) dressings,—
- (i) one 1-ounce package of sterile absorbent cotton;
 - (ii) 6 sterile gauze pads, 2 inches square;
 - (iii) 6 sterile gauze pads, 4 inches square;
 - (iv) 24 finger dressings, with adhesive attached;
 - (v) 4 sterile gauze bandages of assorted sizes;
 - (vi) 1 triangular bandage; and
 - (vii) 1 roll of adhesive plaster, $\frac{1}{2}$ inch by 5 yards.

CLOTHING AND SPENDING ALLOWANCE

16. In the application of the funds and revenues of an institution the board shall provide each inmate with,—

- (a) an adequate supply of clothing similar in style and quality to that worn by persons of average homes in the community in which the institution is situated, and appropriate to the season; and
- (b) a reasonable spending allowance in accordance with the inmate's age and needs,

but only where the clothing and spending allowance are not provided by a person on behalf of the inmate.

EDUCATION AND TRAINING

17.—(1) The board of a charitable institution shall,—

- (a) provide for the educational requirements of each school-age inmate of a type most suitable to his needs;
- (b) arrange the full-time school attendance of each school-age inmate;
- (c) establish a day nursery, as now or hereafter defined in *The Day Nurseries Act, 1946*, where more than 3 children in the institution under 6 years of age and not of common parentage are not attending a licensed day nursery, or a kindergarten conducted as part of a public or separate school under *The Public Schools Act* or *The Separate Schools Act*; and
- (d) provide religious education for each school-age inmate, and religious services suitable for all inmates.

(2) The board shall make provision for,—

- (a) the development of the vocational possibilities of each school-age inmate and supplying suitable occupational privileges for each school-age inmate; and
 - (b) adequate recreational and hobby-craft facilities for school-age inmates, with opportunities to participate in them.
- (3) The board may make provision for,—
- (a) the development of the vocational possibilities of other inmates and supplying suitable occupational privileges for them; and
 - (b) adequate recreational and hobby-craft facilities for other inmates, with opportunities to participate in them.
- (4) A board shall avail itself of the facilities of a local or provincial mental-health clinic or the services of a duly qualified psychiatrist or psychologist where the facilities or services appear necessary in the interest of an inmate.

FIRE DUTIES AND EMERGENCY INFORMATION

18.—(1) The board of a charitable institution shall,—

- (a) establish a procedure in case of fire;
 - (b) assign the duties of each staff member in case of fire;
 - (c) arrange for inmates to be instructed in the procedure; and
 - (d) arrange regular fire-drills for the staff and school-age inmates.
- (2) The superintendent shall,—
- (a) make a list of the address and telephone number of the local medical officer of health, each of the institution's medical practitioners, a taxicab, an ambulance, a hospital, the fire and police departments, and any other information he deems necessary; and
 - (b) post the list in an accessible and conspicuous place in the institution.

ACCOUNTS

19.—(1) A charitable institution shall keep books of account showing all receipts and disbursements.

(2) The books of account shall be audited yearly and a financial report in Form 1, certified by a chartered accountant or certified public accountant, shall be forwarded to the Minister by the institution not later than the 31st of March of the year next following.

RETURNS

20.—(1) A charitable institution shall furnish the Minister with a half-yearly return in duplicate, in Form 2, signed by the superintendent.

(2) The return for the first 6 months of the year shall be furnished not later than the 25th of July of that year and the return for the last 6 months not later than the 25th of January of the year next following.

21. A charitable institution shall furnish the Minister with a yearly record of inmates, in Form 3, in duplicate, not later than the 31st of March of the year next following.

APPLICATION FOR PROVINCIAL AID

22. Where a charitable institution has complied with the Act and these regulations and has been approved by the Lieutenant-Governor in Council, it may, when submitting the return in Form 2, make an application in duplicate, in Form 4, for provincial aid.

RECORDS

23.—(1) A charitable institution shall keep a written record of each inmate.

- (2) The record shall set forth,—
- (a) the name of the inmate, his address, and the date and circumstances of admission;
 - (b) his personal and family history;
 - (c) names and addresses of parents or guardian, relatives, and other interested persons;
 - (d) a record of all physical and mental examinations, and all illnesses and accidents;

- (e) observations on the inmate's conduct and behaviour while in the institution;
- (f) a history of any other developments which might affect the well-being or progress of the inmate;
- (g) a statement of investigations made and conclusions reached before an inmate's discharge from the institution; and
- (h) the name and address of the person or institution to whom or which the inmate was discharged.

COMPLIANCE WITH REQUIREMENTS

24. The board and the superintendent of a charitable institution shall enforce the Act, these regulations and the by-laws passed by the institution.

REVOCATION OF REGULATIONS

**REGULATIONS MADE BY THE MINISTER
UNDER THE DEPARTMENT OF
EDUCATION ACT**

CONTINUATION SCHOOLS

INTERPRETATION

1. In these regulations,—

- (a) "continuation school" means a day continuation-school; and
- (b) "parent" includes guardian.

PLANS AND SITE

2. The plans of every continuation school hereafter erected, added to or altered shall be submitted to the Minister, together with the details of the site thereof.

3. The architect's working drawings and specifications shall indicate clearly details of the construction, lighting, plumbing, heating and ventilating.

4. The board shall furnish the inspector with,—

- (a) the architect's preliminary sketch-plans of the proposed school-building or alterations in or additions to an existing school-building;
- (b) a blue-print of the architect's preliminary sketch-plans;
- (c) a blue-print of the architect's completed working-drawings; and
- (d) a copy of the architect's specifications.

EQUIPMENT

5. The equipment of a continuation school shall be as set forth in schedule 1.

SCIENCE ROOMS

6. A continuation school shall have at least one room so equipped that it may be used for the teaching of science.

CLASSROOMS

7. Every classroom shall be decorated with pictures, casts, vases and other ornaments.

8.—(1) Classroom walls which are calcimined or papered shall,—

- (a) be kept clean; and
- (b) be renovated when necessary.

(2) Classroom walls which are painted shall be washed frequently and re-painted when necessary.

DAILY SESSIONS

9.—(1) Pupils shall assemble for study each school-day at 9 a.m. and be dismissed not later than 4 p.m., but where practical work is emphasized in the courses of study the board may extend the hour for dismissal to 5 p.m.

(2) The board may authorize morning, noon and afternoon recesses but the number of school hours shall be at least 5 hours a day including morning and afternoon recesses.

COURSES OF STUDY

10. Where a continuation school has a staff of not more than 2 full-time teachers, grade XIII courses of study shall not be taught.

11. The courses of study for grades IX to XIII of a continuation school shall be as prescribed from time to time under clause *a* of subsection 1 of section 4 of the Act.

TEST-BOOKS FOR GRADES IX TO XII

12.—(1) The text-books in schedule 2 shall be used by the pupils under the direction of the principal for the courses of study in grades IX to XII, both inclusive.

(2) Where a book in schedule 2 is applicable to his course of study, a pupil shall provide himself with a copy, where the board does not provide it.

REFERENCE BOOKS FOR GRADES IX TO XIII

13. Upon the recommendation of the principal and with the approval of the inspector, the board shall provide the school library with reference books in single copies or in numbers sufficient for class use by pupils in grades IX to XIII, both inclusive.

14.—(1) In a school where grade XIII botany is taught, the board shall provide the school library with a supply of *Wild Plants of Canada* or other flora, sufficient for class use by the pupils.

(2) Pupils shall not be required to purchase *Wild Plants of Canada* or other flora.

TEXT-BOOKS FOR GRADE XIII

15.—(1) Subject to the approval of the board by resolution, the principal shall select the text-books for the grade XIII courses of study, as prescribed from time to time under clause *m* of section 5 of the Act.

(2) When the inspector makes his official visit to a continuation school, the principal shall give him a copy of each of the text-book resolutions dated and certified by the secretary of the board.

NATIONAL ANTHEM

16. The national anthem shall be sung in every continuation school as part of the daily opening or closing exercises.

RELIGIOUS EXERCISES

17.—(1) A continuation school shall be opened each school day with religious exercises consisting of the systematic reading of the scriptures and the saying in unison of the Lord's Prayer.

(2) In inclement weather the reading of the scriptures shall be deferred until the close of the school day.

(3) A continuation school shall be closed each school day with the saying in unison of one of the prayers in schedule 3.

18.—(1) A board may by resolution direct the principal to choose the scripture passages for religious exercises from the Bible or from *Bible Readings for Schools* published by the Macmillan Company of Canada, Limited.

(2) Where the board does not pass a resolution, the principal shall, after notifying the board, select the scripture passages from the Bible or from *Bible Readings for Schools* published by the Macmillan Company of Canada, Limited.

(3) The scripture passages selected by the principal may be changed by resolution of the board for other passages from the Bible or from *Bible Readings for Schools* published by the Macmillan Company of Canada, Limited.

19. As part of the religious exercises the board may order,—

- (a) the teacher and pupils to read scripture passages at the close of the school day;
- (b) pupils to repeat the Ten Commandments at least once each week; and
- (c) pupils to memorize Bible passages selected by the principal.

EXEMPTION OF PUPILS

20.—(1) Where a parent objects to his child taking part in religious exercises, the child may leave the classroom during the exercises or remain therein as the parent may direct.

(2) Before the teacher commences a religious exercise, the pupils on whose behalf objection has been made shall be allowed to leave the classroom.

EXEMPTION OF TEACHERS

21. Where a teacher notifies the board in writing that he has conscientious objection to holding religious exercises, the board shall make other provision for the holding of the exercises.

RELIGIOUS INSTRUCTION

22. By resolution of the board, a clergyman or any person designated by him may give religious instruction to pupils of his own religious denomination after school-hours.

23. By resolution of the board, the clergymen of a number of religious denominations may select a person who may give religious instruction to the pupils of those denominations after school-hours.

24. Where,—

- (a) more than one clergyman obtains the board's permission to give religious instruction; and
- (b) the school accommodation is insufficient for all instruction to be given at the same time,

the board shall by resolution determine the day of the week that accommodation will be available for each religious denomination.

25. Religious instruction under these regulations shall be given in the school.

RELIGIOUS EMBLEMS

26. No religious emblem of a denominational nature shall be exhibited in a continuation school during school hours.

SCHEDULE 3

PRAYERS FOR RELIGIOUS EXERCISES

1. Most merciful God, we yield Thee our humble and hearty thanks for Thy Fatherly care and preservation of us this day, and for the progress which Thou hast enabled us to make in useful learning; we pray Thee to imprint upon our minds whatever good instructions we have received, and to bless them to the advancement of our temporal and eternal welfare; and pardon, we implore Thee, all that Thou hast seen amiss in our thoughts, words and actions. May Thy good providence still guide and keep us during the approaching interval of rest and relaxation, so that we may be prepared to enter on the duties of the morrow with renewed vigour both in body and mind, and preserve us, we beseech Thee, now and forever, both outwardly in our bodies and inwardly in our souls, for the sake of Jesus Christ, Thy Son, our Lord. Amen.

2. Lighten our darkness, we beseech Thee, O Lord, and by Thy great mercy defend us from all dangers and perils of this night, for the love of Thy only Son, our Saviour, Jesus Christ. Amen.

3. Our Father, Which art in Heaven, hallowed be Thy name, Thy kingdom come, Thy will be done in earth, as it is in Heaven; give us this day our daily bread; and forgive us our trespasses as we forgive them that trespass against us; and lead us not into temptation; but deliver us from evil. Amen.

4. The grace of our Lord Jesus Christ, and the love of God, and the fellowship of the Holy Ghost be with us evermore. Amen.

THE OLD AGE PENSIONS ACT, 1948

O. Reg. 62/49.
 Cost-of-Living Bonus.
 Amending O. Reg. 236/48 and Revoking O. Reg. 38/49.
 Made—14th April, 1949.
 Filed—21st April, 1949, 2.30 p.m.

REGULATIONS MADE UNDER THE OLD AGE PENSIONS ACT, 1948

1. Regulations 7, 8, 9, 10, 11 and 12 of Ontario Regulations 236/48, and Ontario Regulations 38/49 are revoked and the following substituted therefor:

COST-OF-LIVING BONUS

7.—(1) A pensioner shall be paid a cost-of-living bonus equal to 8.33 per cent of the pension for which he is eligible.

(2) The total of the cost-of-living bonuses under regulations 8, 10 and 12 shall not exceed \$10 a month.

8. Where a pensioner's cost of shelter exceeds \$10.50 a month, or his cost of board and lodging exceeds \$26.50 a month, and if his total income including pension and cost-of-living bonuses is not more than \$480 a year, the excess up to \$7.50 shall be paid to him as a cost-of-living bonus.

9.—(1) Where a pensioner and a non-pensioner spouse are living together, regulations 7, 8 and 12 shall apply to the pensioner only.

(2) Where two pensioners are married to each other and occupy a common shelter, regulations 7, 8 and 12 shall apply to each of them.

10. Where acceptable written information in the records of the Department of Public Welfare indicates a pensioner has needs of an exceptional nature other than those provided for under regulations 8 and 12, the Commission may pay him a cost-of-living bonus not exceeding \$7.50 a month.

11. Regulations 8, 10 and 12 shall not apply to a pensioner,—

(a) residing in a county or district home for the aged;

(b) residing in any charitable institution as now or hereafter defined in *The Charitable Institutions Act*; or

(c) while a patient in a mental hospital within the meaning of *The Mental Hospitals Act*.

12.—(1) Where a pensioner resides in a province of Canada other than Ontario and that province does not pay any cost-of-living or other bonus or old age pension in excess of the pension of \$30 a month to which Canada contributes, he shall not be paid a cost-of-living bonus under regulations 7, 8 or 10.

(2) Where a pensioner resides in a province of Canada other than Ontario and that province pays a cost-of-living or other bonus or old age pension in excess of the pension of \$30 a month to which Canada contributes, he may be paid a cost-of-living bonus under regulations 7, 8 or 10 not in excess of the amount of the cost-of-living or other bonus or old age pension in excess of \$30 a month to which Canada contributes, payable in the province in which he resides.

THE DEPARTMENT OF EDUCATION ACT

O. Reg. 64/49.

General Legislative Grants.

Revoking O. Reg. 30/48.

Made—28th March, 1949.

Approved—21st April, 1949.

Filed—25th April, 1949, 10.00 a.m.

REGULATIONS MADE BY THE MINISTER UNDER THE DEPARTMENT OF EDUCATION ACT

GENERAL LEGISLATIVE GRANTS

INTERPRETATION

1.—(1) In these regulations,—

(a) "approved cost" means the cost of operating the schools of a board during the preceding year, as determined by the board, and includes the board's cost with respect to pupils attending another board's school;

(b) "cost of operating" means the total amount of money paid out of current revenue under the Acts administered by the Minister and the regulations thereunder, less,—

(i) any receipts other than receipts from provincial sources, or municipal sources derived from taxation; and

(ii) any expenditures on which a special legislative grant has been or may be claimed; and

(c) "equalized assessment" has the same meaning as in *The Assessment Act*.

(2) "Approved cost" shall be subject to the approval of the Minister.

APPORTIONMENT

2. The general legislative grants for public and separate schools, collegiate institutes, high schools, grades A and B continuation schools and vocational schools shall,—

(a) be apportioned to boards on the basis hereinafter prescribed; and

(b) be applied to such school purposes as each board deems expedient.

3. Where a board does not operate a school in compliance with the Acts administered by the Minister and the regulations thereunder, the Minister may withhold the whole or any part of the grants payable to the board.

PART 1

PUBLIC AND SEPARATE SCHOOLS

ASSESSMENT PER CLASSROOM

4. For the purposes of clause *f* of regulation 5, and regulation 6, "assessment per classroom" shall be the quotient determined by dividing,—

- (a) in counties,—
- (i) the equalized assessment of the property rateable for public-school purposes in the public-school section by the number of public-school classrooms within the section; or
 - (ii) the equalized assessment of the property rateable for separate-school purposes in the area prescribed under section 56 of *The Separate Schools Act* by the number of separate-school classrooms in that area; and
- (b) in that part of Ontario without county organization,—
- (i) the assessment of the property rateable for public-school purposes in the public-school section by the number of public-school classrooms within the section; or
 - (ii) the assessment of the property rateable for separate school purposes in the area prescribed under section 56 of *The Separate Schools Act* by the number of separate-school classrooms in that area.

URBAN PUBLIC- AND SEPARATE-SCHOOLS

5. Subject to regulation 9, there shall be paid to the board of an urban public- or separate-school in a municipality having a population of,—

- (a) at least 100,000, a grant equal to 26 per cent of the approved cost;
- (b) at least 10,000, but under 100,000, a grant equal to 31 per cent of the approved cost;
- (c) at least 5,000 but under 10,000, a grant equal to 37 per cent of the approved cost;
- (d) at least 2,500 but under 5,000, a grant equal to 45 per cent of the approved cost;
- (e) under 2,500, a grant equal to 55 per cent of the approved cost; or
- (f) under 1,000 and an assessment per classroom under \$50,000, a grant equal to 71 per cent of the approved cost.

RURAL PUBLIC- AND SEPARATE-SCHOOLS

6. Subject to regulation 9, there shall be paid to the board of a rural public- or separate-school for which the assessment per classroom is,—

- (a) at least \$80,000, a grant equal to 45 per cent of the approved cost;
- (b) at least \$50,000 but under \$80,000, a grant equal to 55 per cent of the approved cost;
- (c) at least \$30,000 but under \$50,000, a grant equal to 71 per cent of the approved cost; or
- (d) under \$30,000, a grant equal to 89 per cent of the approved cost.

TOWNSHIP BOARDS, TOWNSHIP SCHOOL-AREA BOARDS, CONSOLIDATED-SCHOOL BOARDS AND IMPROVEMENT-DISTRICT TRUSTEES

7.—(1) Grants shall be made to a township board, township school-area board, consolidated-school board and to improvement-district trustees upon the same basis as grants for a rural public-school under regulation 6.

(2) There shall be paid to a township board, township area board, consolidated-school board and to improvement-district trustees, an additional grant equal to 1 mill calculated,—

- (a) in counties, on the equalized assessment; and
- (b) in that part of Ontario without county organization, on the assessment,

of the property rateable for public-school purposes in the township, township school-area, consolidated-school section or improvement district, as the case may be, but the additional grant shall be not less than \$150 nor more than \$300 for each school section which has become part of the larger unit.

(3) In the year in which a township board, township school-area board, consolidated-school board or improvement district is established, the additional grant under subregulation 2 shall be paid to the boards of the school sections included in the larger unit.

(4) Where in any year a public-school section is brought under the jurisdiction of improvement-district trustees or a township school-area or consolidated-school board, the additional grant under subregulation 2 shall be paid to the board of the section so included in the larger unit.

UNION SEPARATE-SCHOOL BOARDS

8.—(1) Grants shall be made to the board of a union separate-school upon the same basis as grants for a rural separate-school under regulation 6.

(2) There shall be paid to the board of a union separate-school an additional grant equal to 1 mill calculated,—

- (a) in counties, on the equalized assessment; and
- (b) in that part of Ontario without county organization, on the assessment,

of the property rateable for separate-school purposes in the area under the jurisdiction of the union separate-school board, but the additional grant shall be not less than \$150 nor more than \$300 for each separate-school area which has been included as part of the union separate-school area.

(3) In the year in which the board of a union separate-school is established, the additional grant under subregulation 2 shall be paid to the separate-school boards which have been included as part of the union separate-school area.

(4) Where in any year a separate school is brought under the jurisdiction of a union separate-school board, the additional grant under subregulation 2 shall be paid to the board of the school which has been included as part of the union separate-school area.

LIMITATIONS

9.—(1) In no case shall,—

- (a) the total of the special and general legislative grants to a board exceed 95 per cent of the approved cost;

- (b) grants to a rural board other than a township board, township school-area board, consolidated-school board or improvement-district trustees in an organized township exceed the difference between the approved cost and the amount of the township grant payable under section 87 or 112 of *The Public Schools Act*; or
- (c) approved cost exceed the amount obtained by multiplying \$115 by the number representing the average attendance for the preceding calendar year but where the average attendance for any school is under 25, the number 25 is to be used.

(2) Where under section 12 of the Act transportation for pupils is provided by a township board, township school-area board, consolidated-school board, improvement-district trustees or union separate-school board, approved cost may exceed the amount provided in clause *c* of subregulation 1 by the cost of the transportation.

(3) Where fees are paid to another board, approved cost may exceed the amount provided in clause *c* of subregulation 1 by the amount of the fees.

PART 2

COLLEGIATE INSTITUTES, HIGH SCHOOLS, AND GRADES A AND B CONTINUATION SCHOOLS

10.—(1) Subject to regulation 11, there shall be paid to the board of a collegiate institute, high school, or grade A or B continuation school, where the mill-rate is,—

- (a) under 4 mills, a grant equal to 15 per cent of the approved cost;
- (b) at least 4 mills but under 5 mills, a grant equal to 20 per cent of the approved cost;
- (c) at least 5 mills but under 6 mills, a grant equal to 25 per cent of the approved cost;
- (d) at least 6 mills but under 7 mills, a grant equal to 30 per cent of the approved cost;
- (e) at least 7 mills but under 8 mills, a grant equal to 35 per cent of the approved cost;
- (f) at least 8 mills but under 9 mills, a grant equal to 40 per cent of the approved cost;
- (g) at least 9 mills but under 10 mills, a grant equal to 45 per cent of the approved cost;
- (h) at least 10 mills but under 11 mills, a grant equal to 50 per cent of the approved cost;
- (i) at least 11 mills but under 12 mills, a grant equal to 55 per cent of the approved cost;
- (j) at least 12 mills but under 13 mills, a grant equal to 60 per cent of the approved cost;
- (k) at least 13 mills but under 14 mills, a grant equal to 65 per cent of the approved cost;
- (l) at least 14 mills, a grant equal to 70 per cent of the approved cost; or
- (m) at least 40 mills, a grant equal to 75 per cent of the approved cost where a board operates a school in a territorial district, in a separated town, or in a high-school district comprising at least 3 municipalities or parts thereof.

(2) Subject to subregulations 3 and 4, "mill-rate" means the mill-rate that would be required to raise the amount of the approved cost by taxation based on the

assessment for school purposes within a high-school district or grade A or B continuation-school district.

(3) Where a town or village is in a county and not separated therefrom for municipal purposes, the equalized assessment shall be used.

(4) Where a township or part thereof in a county does not adjoin a city having a population of at least 250,000, one-fifth of the equalized assessment shall be used.

LIMITATIONS

11.—(1) The total of the special and general legislative grants to a board shall not exceed 95 per cent of the approved cost.

(2) Subject to subregulation 6, approved cost for grades A and B continuation schools shall not exceed the amount obtained by multiplying \$150 by the number representing the average attendance for the preceding calendar year, but where a school is on an island or in a territorial district and the average attendance is under 50, the number 50 shall be used.

(3) Subject to subregulations 4, 5 and 6, approved cost for high schools and collegiate institutes shall not exceed the amount obtained by multiplying \$200 by the number representing the average attendance for the preceding calendar year.

(4) Where,—

(a) a high-school district consists of,—

- (i) one or more municipalities or parts thereof in a territorial district;
- (ii) a separated town; or
- (iii) three or more municipalities or parts thereof in a county; and

(b) debentures on a new high-school are issued on or after the 1st of January, 1946,

the number representing the average attendance shall be not less than 30 per teacher for each of the first 12 teachers employed full-time in the fall term of the preceding calendar year, but for the purposes of this calculation the number of teachers shall not exceed one for each 25 pupils or fraction thereof enrolled in the school on the 31st of October of that year.

(5) Where under section 12 of the Act a board in a high-school district provides transportation for pupils resident in the district, approved cost may exceed the amount provided under subregulation 3 by the cost of the transportation.

(6) Where fees are paid to another board, approved cost may exceed the amount provided under subregulation 2 or 3, as the case may be, by the amount of the fees.

PART 3

VOCATIONAL SCHOOLS

12.—(1) There shall be paid to the board of a vocational school a grant equal to the following percentages of the total salaries paid by the board to qualified teachers of day and evening classes for the preceding school year less the amount of fees retained from resident pupils of evening classes,—

- (a) 85 per cent of the first \$20,000;
- (b) 75 per cent of the next \$20,000;
- (c) 65 per cent of the next \$20,000; and
- (d) 55 per cent of any further amount.

(2) Where the board of a vocational school erects a building or portion of a building for the purposes of a day vocational-school, or provides new equipment and furniture for instructional purposes, there shall be paid to the board an additional grant of 50 per cent of any amount expended for those purposes, but where debentures are issued to raise part or all of the required amount, the additional grant shall be paid,—

- (a) on the actual expenditures for those purposes in any year;
- (b) on the annual payments of principal and interest on the debentures; or
- (c) in part under clause *a* and in part under clause *b*,

in accordance with an agreement between the board and the Minister.

THE WARBLE-FLY CONTROL ACT, 1949

O. Reg. 69/49.

Methods of Treatment.

New.

Made—28th April, 1949.

Filed—2nd May, 1949, 3.00 p.m.

REGULATIONS MADE UNDER THE WARBLE-FLY CONTROL ACT, 1949

1. In these regulations,—

(a) "brush method of treatment for warble-fly" means the application of the ingredients prescribed for the treatment by means of a stiff-bristle brush to the area of skin within 1 foot of each side of the backbone extending from the shoulder to the rump of the cattle so that,—

(i) the ingredients are worked into the hair and wet the skin; and

(ii) the treatment loosens the scabs over any grubs in the skin; and

(b) "spray method of treatment for warble-fly" means the application of the ingredients prescribed for the treatment by means of a spray ejected from a nozzle, having a single aperture 5/64 inch in diameter, known as a number 5 disc, under a pressure of 400 pounds per square inch at the nozzle-aperture to the area of skin within 1 foot of each side of the backbone extending from the shoulder to the rump of the cattle so that the ingredients wet the skin.

2. The ingredients to be used and the strength thereof shall be, in the case of,—

(a) the brush method of treatment for warble-fly,—

(i) 8 ounces of Derris powder containing 5 per cent rotenone or such other quantity of Derris powder as contains an equivalent strength of rotenone; and

(ii) 2½ ounces of neutral soap or 7 ounces of wettable sulphur,

dissolved in 1 imperial gallon of water; and

(b) the spray method of treatment for warble-fly, 7½ pounds of Derris powder containing 5 per cent rotenone or such other quantity of Derris powder as contains an equivalent strength of rotenone, dissolved in 80 imperial gallons of water.

3.—(1) Where a municipality has passed a by-law under section 2 of the Act, the number of treatments to be given in a year shall be not less than two.

(2) Subject to subregulation 4, the first treatment shall be given during the period commencing on the 1st of April and ending on the 18th of April, and the second treatment during the period commencing on the 1st of May and ending on the 31st of May.

(3) Where a cattle owner desires his cattle to have a third treatment, it shall, subject to subregulation 4, be given during the period commencing on the 2nd of June and ending on the 17th of June.

(4) There shall be a period of not less than 3 weeks or more than 4 weeks between treatments.

4.—(1) The Commissioner shall arrange for the instruction of inspectors in,—

- (a) detection of warble-fly in cattle;
- (b) methods of treatment and their application; and
- (c) methods of enforcing treatment and effects of treatment.

(2) The instruction shall be for a period of not less than 1 day or more than 2 days and shall consist of lectures, demonstration and practice.

5. An inspector shall,—

- (a) attend the course of instruction in the first year of his appointment; and
- (b) instruct cattle owners in the brush method of treatment for warble-fly and persons operating power sprayers in the spray method of treatment for warble-fly so as to insure that the treatment is efficiently carried out.

6.—(1) Out of the moneys appropriated by the Legislature for the purpose, the Minister shall make grants to reimburse any municipality to the extent of 50 per cent of,—

- (a) the salary of the inspectors appointed;
- (b) the actual travelling expenses necessarily incurred by the inspectors in the performance of their duties; and
- (c) the cost of the Derris powder purchased by the municipality, under a by-law passed pursuant to the Act.

(2) Where the moneys appropriated by the Legislature are insufficient to pay the grants under subregulation 1, the grants shall be decreased *pro rata*.

200/48, 245/48 and 8/49.

Made—12th May, 1949.

Filed—16th May, 1949, 2.45 p.m.

REGULATIONS MADE UNDER THE TEACHERS' SUPERANNUATION ACT, 1949

ELECTIONS

1.—(1) In this regulation "secretary" means secretary of the Ontario Teachers' Federation.

(2) On or before the 10th day of April in each year the secretary shall publish in such newspapers and other publications having a general circulation in the teaching profession and in such form as is deemed proper a notice regarding the nomination of candidates for the election to be held in the current year.

(3) Nominations for candidates shall be in writing and sent by prepaid post or delivered to the secretary.

(4) Nominations received by the secretary after the 30th day of April shall not be accepted.

(5) Every nomination shall be signed by,—

(a) at least ten persons qualified to vote at the election who are employees of no fewer than five different boards, and all or any of such persons may sign one nomination paper or separate nomination papers; or

(b) the president and secretary of the affiliated body of Ontario Teachers' Federation that is concerned in the election acting under the authority of a resolution passed at the annual meeting of such body.

(6) Every person,—

(a) Whose name appears in the official membership list of the affiliated body of the Ontario Teachers' Federation that is concerned in the election, such list being correct as of the 1st day of May of the year of the election; or

(b) whose name, because of the nature of his employment, does not appear in such list but who has contributed to the fund for the month of March of the year of the election,

and no others, shall be qualified to vote at the election.

(7) A printed ballot paper in Form 1 accompanied by a return envelope addressed to the secretary and marked "ballot paper" shall be mailed on or before the 14th day of May by the secretary to every person who is qualified to vote at the election.

(8) Every such person may vote for a candidate by marking an X opposite the candidate's name where it appears on the ballot paper and sending the ballot paper by prepaid post or delivering it to the secretary.

(9) Any number of ballot papers may be sent by prepaid post or delivered to the secretary in a single envelope or package.

(10) Votes cast upon ballot papers received by the secretary after the 25th day of May shall not be counted.

(11) All ballot papers received by the secretary on or before the 25th day of May shall be opened in the presence of himself and at least a majority of the elected members of the Commission whose offices are not affected by the election then being held, at a meeting called by the secretary, who shall act as chairman.

(12) The secretary and the elected members mentioned in subregulation 11 shall be responsible for the counting of the votes cast and for the determination of the result of the election which they shall report in writing to the Minister.

(13) Any candidate and a representative of the affiliated body of the Ontario Teachers' Federation which is concerned in the election may be present at the opening of the ballot papers and the counting of the votes or may be represented thereat by any person qualified to vote at the election who is appointed in writing by the candidate or by such affiliated body, as the case may be.

ACCOUNTS AND RECORDS

2. The secretary shall keep,—

- (a) a complete card record for each contributor;
- (b) books showing all amounts received as payments into the fund and deposited on account of the fund, and all cheques issued against the account of the fund;
- (c) books showing,
 - (i) the capital of the fund, the amounts received from the contributors, the amounts received from the Treasurer of Ontario and the amount equivalent to the interest allowed from the 1st day of February in each year,
 - (ii) the cash to the credit of the fund,
 - (iii) the payments made as allowances,
 - (iv) the payments made as refunds, and
 - (v) the payments made as administration expenses of the Commission; and
- (d) such other accounts and records as the Commission may require.

APPLICATIONS AND ALLOWANCES

3.—(1) Every application for a superannuation or disability allowance shall be in Form 2.

(2) Every application for a dependant's allowance shall be in Form 3.

(3) Every application for an allowance shall be verified in Form 4.

(4) Every applicant for an allowance shall furnish with his application,—

- (a) a birth certificate or such other proof of age as the Commission may require unless proof of age has been accepted previously by the Commission;

- (b) in the case of a married male teacher or of a married female teacher with an incapacitated and wholly dependent husband, similar proof of the date of marriage and of the age of the spouse;
- (c) in the case of an application for a dependant's allowance, following the death of a person while employed, similar proof of the age of the applicant and of the age of the person in respect to whose service the application is made, and of the date of marriage of the deceased person;
- (d) in the case of a joint annuity under section 32, similar proof of the age of the joint annuitant; and
- (e) a statement showing places and dates of employment with corroborating documentary evidence from the employing boards.

APPLICATIONS FOR REFUNDS

4. Every application for a refund shall be in Form 5.

INFORMATION TO BE FURNISHED

5. The Commission by notice in Form 6 may require any person who is a contributor to or in receipt of an allowance from the fund, or any applicant for an allowance or a refund, or any board, to furnish the Commission with such information as may be required, and any such person, applicant or board so required to furnish information shall do so in accordance with the notice.

DEDUCTIONS

6.—(1) In computing the amount of an allowance under section 26 of the Act, the amount of the allowance computed in the manner prescribed by subsection 2 of section 24 of the Act shall be reduced by,—

- (a) five per centum in the case of a teacher who is over sixty-one at the beginning of the month next following the month in which he ceased to be employed; or
- (b) at the rate of five per centum, in the case of a teacher who is under sixty-one, in respect of each year by which the age of the teacher is less than sixty-two years at the beginning of the month next following the month in which he ceased to be employed, provided that such reduction shall not exceed fifty per centum in the aggregate.

(2) In computing the amount of an allowance under section 27 of the Act the amount of the allowance computed in the manner prescribed by subsection 2 of section 24 of the Act shall be reduced at the rate of five per centum of such amount in respect of each year by which the period of employment is less than thirty years.

(3) In computing the amount of an allowance under section 29 of the Act, the allowance computed in the manner prescribed by subsection 2 of section 24 of the Act shall be reduced,—

- (a) by two and one-half per centum in the case of a teacher who is over sixty-one at the beginning of the month next following the month in which he ceased to be employed; or
- (b) at the rate of two and one-half per centum in the case of a teacher who is under sixty-one in respect of each year by which the age of the teacher is less than sixty-two years at the beginning of the month next following the month in which he ceased to be employed, provided that such reduction shall not exceed twenty-five per centum in the aggregate.

(4) In computing the amount of an allowance under subsection 3 of section 31 of the Act the allowance prescribed by subsection 1 of section 31 of the Act shall be reduced at the rate of two and one-half per centum for each year that the widow was more than ten years younger than her husband.

ANNUITIES

7. Where an annuity is payable under section 32 of the Act the amount of the annuity shall be the percentage indicated in the following tables of the amount of the allowance that would have been payable had no direction been given under such section:

ABSENCE FROM DUTY

8.—(1) Where a person is absent from duty because of ill-health and subsequently resumes his duties for not fewer than twenty school days in any school year he may make contributions for a period or periods for which he was unpaid, not exceeding a total of six months within any period of three years, in an amount calculated according to the rate of salary he was receiving at the time he became absent from duty, or the rate he would have received, under the salary schedule applicable.

(2) Where a person who holds an interim or permanent certificate obtained at a normal school or training college for teachers and who is absent from duty for the purpose of taking an academic or professional course of study approved by the Commission, resumes his duties for not fewer than twenty school days in a school year he may make contributions to

the fund in respect of not more than one year of such absence from duty, in an amount calculated according to the rate of salary he was receiving at the time he became absent from duty, or the rate he would have received under the salary schedule applicable.

(3) Where a person who has contributed to the fund for ten years or more is absent from duty under a plan of sabbatical leave for the purpose of travel or study and receives salary from the board for such period at a lower rate than that which he would otherwise have received, he may after resuming duty for at least twenty days make direct payment to the Commission of the amount required to make up the total contribution which he would have made in respect of not more than one year of such absence from duty if he had not been absent from duty, failing which he shall be entitled to credit in the fund for only that proportion of the period of absence from duty which the salary he received bears to the salary he would have received if he had not been absent from duty.

(4) Any payment authorized by this regulation may be made without interest within one year of the person's resumption of duty and not thereafter.

(5) Where a person is absent from duty under this regulation in computing the amount of the allowance to which the person or his dependant is entitled, credit shall be given only for that part of the period of absence from duty in respect of which the person is entitled to make and makes contributions.

CREDITS FOR OUTSIDE SERVICES

9.—(1) Where a person has been employed for at least fifteen years immediately prior to his retirement, he may for all purposes relating to allowances include similar service as a teacher or inspector in any province of Canada or in any other part of the British Commonwealth of Nations or in any school for Indians maintained by the Government of Canada,

- (a) if he has paid into the fund an amount equal to the amount of money accumulated in the fund as a reserve, as certified by the actuary of the Commission, on behalf of a person of the same age who has corresponding service in the provincial schools of Ontario; or
- (b) if an agreement has been made with the Commission for the payment into the fund of an amount equal to the amount of money accumulated in the fund as a reserve, as certified by the actuary of the Commission, on behalf of a person of the same age who has corresponding service in the provincial schools of Ontario.

(2) The amount paid or agreed to be paid into the fund under subregulation 1 shall not in any case be less than the contributions made by a person of the same age who has corresponding service in the provincial schools of Ontario and by the Treasurer of Ontario on his behalf with accumulated interest on all contributions at four and three-quarters per centum per annum compounded half-yearly.

(3) Where a person includes service under this regulation he shall include all such service.

EMPLOYMENT OF PENSIONERS—URGENT NEED

10.—(1) The period between the coming into force of these regulations and the 30th day of June, 1951 is declared to be a period during which there is urgent need for the services of persons in receipt of allowances.

(2) Until the 30th day of June, 1951 the allowance for any school year in which a person who has been granted a superannuation or dependant's allowance is employed in excess of twenty days shall be reduced

by one four-hundredth of the amount of such allowance in respect of every school day in excess of twenty days for which he was employed, and subsection 1 of section 39 of the Act shall not apply in any such case during the period of operation of this regulation.

(3) Any person to whom subregulation 2 applies may, by notice in writing to the Commission, elect to have subsection 1 of section 39 of the Act apply to him in which case subregulation 2 shall not apply to him.

ACTIVE SERVICE—WORLD WAR I

11. Every person who obtained leave of absence from his employment for the purpose of entering active service in World War I or who ceased to be employed prior to entering such service or who became employed subsequent to such service may, on producing proof of such service, count the period of such service as if it was a period of employment if not later than the 31st day of December, 1951 he enters into an agreement with the Commission to pay the amount calculated in respect of the period of active service subsequent to the 1st day of April, 1917 on an annual salary of \$550 or on the rate of salary he received during his first year of employment after the war with accumulated interest at the rate of four and three-quarters per centum per annum compounded half-yearly.

ACTIVE SERVICE—WORLD WAR II

12.—(1) Every person who obtained leave of absence from his employment for the purpose of entering active service in World War II or who ceased to be employed prior to entering such service may, on producing proof of such service, count the period of such service as if it was a period of employment if not later than the 31st day of December, 1951 he or his board enters into an agreement with the Commission to pay the amount calculated on the rate of salary he was receiving before he entered active service or that he would have received under the salary schedule applicable with accumulated interest at the rate of four and three-quarters per centum per annum compounded half-yearly.

(2) Every person who entered active service in World War II and who was not previously employed but is subsequently employed shall be permitted, on producing proof of such service, to count the period of such service as if it was a period of employment if not later than the 31st day of December, 1951 he enters into an agreement with the Commission to pay the amount calculated on the rate of salary not less than \$550 per annum in respect of any period before the 1st day of September, 1945 and \$800 in respect of any period after such day and not more than the initial salary that he received on becoming employed, with accumulated interest at the rate of four and three-quarters per centum per annum compounded half-yearly.

SPECIAL WAR SERVICE—WORLD WAR II

13.—(1) Every person who obtained leave of absence from his employment for the purpose of entering special war service in World War II, being service which was related to the prosecution of such war but not being,—

- (a) active service;
- (b) service in the production of aircraft, naval or army equipment, munitions, food or supplies; or
- (c) service of a clerical nature only,

or who ceases to be employed prior to entering such service may, on producing proof of such service, count the period of such service as if it was a period of

employment if not later than the 31st day of December, 1951 he or his board enters into an agreement with the Commission to pay the amount equal to his own contribution and that which the Treasurer of Ontario would have made on his behalf had he been employed, calculated on the rate of salary he was receiving before he entered special war service or that he would have received under the salary schedule applicable with accumulated interest at the rate of four and three-quarters per centum per annum compounded half-yearly.

(2) Every person who entered special war service in World War II and who was not previously employed but is subsequently employed shall be permitted, on producing proof of such service, to count the period of such service as if it was a period of employment if not later than the 31st day of December, 1951 he enters into an agreement with the Commission to pay the amount calculated on the rate of salary not less than \$550 per annum in respect of any period before the 1st day of September, 1945 and \$800 in respect of any period after such day and not more than the initial salary that he received on becoming employed, with accumulated interest at the rate of four and three-quarters per centum per annum compounded half-yearly.

(3) No person to whom this regulation applies shall be entitled to,—

- (a) a refund of that part of his contributions which the Treasurer of Ontario would have made on his behalf had he been employed; or
- (b) an allowance under section 28 or 29 of the Act in respect of a physical or mental disability suffered during the period of special war service.

(4) Every person to whom this regulation applies, who left Canada on special war service overseas before the 15th day of August, 1945 shall on so leaving Canada be deemed to have entered active service and regulation 12 shall apply accordingly.

WAR SERVICE REGULATIONS—INTERPRETATION

14.—(1) For the purposes of regulations 11 and 12 "active service" includes any period immediately after discharge from active service during which the person,—

- (a) was receiving medical or surgical treatment from the Government of Canada in respect of a disability sustained while on active service;
- (b) was receiving hospital pay and allowances, or the equivalent thereof, from the Government of Canada; and
- (c) was temporarily incapable of resuming employment by reason of the disability in respect of which he was receiving such treatment.

(2) For the purposes of regulations 11, 12 and 13,—

- (a) a person shall be deemed to be on active service during the whole of the month in which he entered active service and the whole of the month in which he ceased to be on active service; and
- (b) subject to clause a, a person shall be deemed to be on special war service during the whole of the month in which he entered special war service and the whole of the month in which he ceased to be on special war service.

NON-COMPLYING SCHOOLS

15.—(1) The Commission shall not receive any amount in respect of teaching service in a non-comply-

ing school unless the board of the school pays or agrees to pay an amount equal to the total amount of the deductions that should have been made from the salary of every person employed at any time since the 1st day of April, 1917 and that have not been paid to the Commission, with accumulated interest at five per centum per annum, compounded half-yearly.

(2) Where a person applies for an allowance, the period of his employment in a non-complying school for which contributions should have been paid but were not received shall not count in establishing eligibility or in computing the allowance.

(3) Where the board of a non-complying school makes deductions for contributions to the fund from the salaries of persons employed by it and desires to have such persons re-admitted to the full privileges of the fund, the amount due the fund from the board shall be paid by the board either in one payment or in yearly instalments with interest at the rate of five per centum per annum, compounded half-yearly.

(4) In this regulation "non-complying school" means a school whose board or teachers or both are reported by the Minister to the Commission as having failed to comply with any Act or regulation administered by the Department.

REGULATIONS MADE BY THE BOARD UNDER THE MILK CONTROL ACT, 1948

- 1. Ontario Regulations 27/49 are amended by adding thereto the following:
 - 22a. The security of a distributor deposited with the Board under regulation 21 shall be applicable solely to unpaid claims of producers for milk sold to the distributor.
 - 22b.—(1) Where a distributor is in default in making payment for milk sold to him by a producer in the manner provided in regulation 20, the producer may notify the Board in writing of the default within 7 days from the date thereof.
 - (2) Upon receipt of a notice under subregulation 1 the Board shall give notice to the distributor by registered post of the producer's claim and that unless the claim is paid within 10 days of the date of mailing the notice by the Board the Board may realize upon the security deposited by the distributor with the Board under regulation 21 to the extent necessary to pay the full amount of the claim of the producer.
 - (3) Where the Board is satisfied after the expiration of the 10-day period in subregulation 2 that the distributor is in default in making the payment referred to in subregulation 1, the Board may realize upon the security and shall, out of the moneys so obtained, pay the producer the amount of his claim.
 - (4) Where,—
 - (a) more than one producer notifies the Board under subregulation 1; and
 - (b) the amount of moneys realized upon the security deposited by the distributor with the Board is insufficient to pay the claims of the producers,
 the Board shall distribute the moneys *pro rata* to the producers.
 - (5) Where,—
 - (a) the distributor has deposited with the Board security in the form of securities under clause *a* or *b* of subregulation 1 of regulation 20; and

(b) the Board has sold the securities under sub-regulation 3,

the Board shall require the distributor to deposit such additional security with the Board as may be necessary to comply with regulation 20 and, upon the distributor depositing the additional security, the Board shall return to the distributor any cash remaining from the sale of securities by the Board after the payment of the claims of the producer under sub-regulation 3.

2. Ontario Regulations 27/49 are amended by adding thereto the following:

24a.—(1) A distributor shall weigh and sample all milk received from each producer daily.

(2) The distributor shall,—

(a) empty the milk from the cans in which he receives the milk from a producer into a weighing can sitting on or hanging from scales; and

(b) ensure that the outlet on the weighing can does not leak during the weighing and sampling of the milk.

(3) Notwithstanding subregulation 2, where,—

(a) a distributor purchases not more than 144 gallons of milk from producers each day; and

(b) the weight of the cans in which the distributor receives the milk is clearly marked thereon, the distributor may weigh and sample the milk in the can in which he receives the milk.

24b.—(1) A distributor shall take a sample, weighing not less than ½ ounce, of all milk received from each producer daily.

(2) Before a sample of milk is taken from a weighing can, the distributor shall ensure that the milk in the weighing can is thoroughly mixed.

(3) Where a distributor weighs milk in the can in which he receives it under subregulation 3 of regulation 24a, the distributor shall take the sample of milk from a mixture of milk obtained by thoroughly mixing aliquot portions of the milk in all cans of milk received from each producer.

(4) The distributor shall provide 2 composite-sample bottles, having a capacity of at least one-half pint, with close-fitting tops or stoppers of a material impervious to moisture to hold the composite sample of the milk of each producer.

(5) The distributor shall during the sampling period pour the daily samples taken from the milk of a producer into a composite-sample bottle on which is clearly marked the name or number of the producer, and shall, before and after testing for butter-fat content, keep the composite sample in a cool place having a temperature of not less than 35 degrees Fahrenheit or more than 55 degrees Fahrenheit.

(6) The distributor shall,—

(a) supply corrosive-sublimate tablets for use in preserving the composite samples of milk;

(b) require the composite sample to be mixed by a rotary method after each addition of a fresh sample of milk;

(c) not have a composite-sampling period of more than 16 days;

(d) require the composite sample of the milk of each producer to be tested for butter-fat content within 5 days after the last sample of fresh milk is added to the composite sample; and

(e) retain the composite sample of the milk of each producer for a period of 12 days after the last sample of fresh milk is added to the composite sample.

24c.—(1) A distributor shall test the butter-fat content of the milk received from each producer by means of the Babcock-test.

(2) The distributor shall use the composite sample of the milk of each producer obtained in the manner provided in regulation 24b, for making the test of butter-fat content of the milk of the producer.

(3) Where there is a variation of 0.3 per cent or more in a test for butter-fat content of the milk of a producer from the previous payment test, the distributor shall retest the composite sample of the milk of the producer and record the retest in his records in respect of the producer.

(4) After the composite sample of the milk of each producer is tempered, the distributor shall mix the sample by pouring it from one vessel to another before pipetting the sample into the test bottle used in the Babcock-test.

(5) In reading the butter-fat test in the test bottle the distributor shall make the reading from the extreme points of the fat-column in test bottle at a temperature of not less than 130 degrees Fahrenheit or more than 140 degrees Fahrenheit.

(6) The distributor shall operate a Babcock-testing machine having a diameter set out in column 1 at the number of revolutions per minute in column 2 set opposite the diameter.

24d.—(1) Where a distributor tests producer's milk for butter-fat content in his plant, the distributor shall provide,—

(a) a Babcock-testing machine;

(b) an adequate supply of glassware for making the Babcock-test;

(c) an adequate supply of Babcock-sulphuric acid having a specific gravity of not less than 1.82 or more than 1.83;

(d) a small metal tank,—

(i) adequate for tempering the composite samples of milk;

(ii) capable of holding the test bottles; and

- (iii) which can be maintained at a uniform temperature during the time the percentage of butter-fat content is being read;
- (e) callipers and thermometers; and
- (f) an adequate supply of hot water.
- (2) The distributor shall keep his equipment for weighing, sampling and testing in good working order and shall permit a field-man to use the equipment.
- 24e. Where a distributor is not the holder of a milk-tester's certificate issued under *The Dairy Products Act, 1938*, and regulations thereunder, the distributor shall require the testing of all milk

received by him from a producer to be carried out under the supervision or control of a person holding a milk-tester's certificate.

SCHEME

1. This scheme for regulating and controlling the marketing of new potatoes may be cited as "THE SOUTH-WESTERN ONTARIO NEW-POTATO-GROWERS' MARKETING SCHEME".

LOCAL BOARD

2. There shall be a local board to be known as "The South-Western Ontario New-Potato-Growers' Marketing Board".
3. The local board shall consist of 8 members.

MEMBERS OF THE LOCAL BOARD

4. The members of the local board, who shall hold office until their successors are elected, shall be,—

- (a) Stanley Bailey, Harrow;
- (b) Charles Huffman, Harrow;
- (c) Harold J. Riach, Ruthven;
- (d) Harold Danforth, Leamington;
- (e) Harold Willan, Leamington;
- (f) V. G. McGuigan, Blenheim;
- (g) Clifford Smith, Ridgetown; and
- (h) Edward B. McMillan, Blenheim.

DISTRICTS

5. Growers who produce new potatoes shall be divided into 2 districts as follows:

- (a) District 1, comprising the County of Essex; and
- (b) District 2, comprising the County of Kent and the Township of Aldborough in the County of Elgin.

DISTRICT GROUPS

6. Growers who produce new potatoes in each of the districts named in section 5 shall form a district group.

COMMITTEES

7. There shall be a committee in each district to be known as "The New-Potato-Growers' Committee".

8. Each district group shall on or before the 30th of November in each year elect a representative or representatives to The New-Potato-Growers' Committee on the basis of one representative for each 50 growers or fraction thereof.

ELECTION OF LOCAL BOARD

9. The New-Potato-Growers' Committees shall before the 31st of December in each year elect the members of the local board on the following basis,—

- (a) five members to represent the growers of District 1; and
- (b) three members to represent the growers of District 2.

POWERS AND DUTIES OF LOCAL BOARD

10. The local board shall have power,—

- (a) to control the marketing of new potatoes produced in the districts named in section 5 in accordance with the provisions of the Act, and regulations made thereunder; and
- (b) to stimulate, increase and improve the marketing of new potatoes produced in the districts named in section 5 by appointing such persons and doing such acts as it deems advisable and to pay any expenses thereby incurred out of the money raised as licence fees under regulation 6 of the regulations made by the Board under the Act in respect of the marketing of new potatoes.

REGULATIONS MADE BY THE BOARD UNDER THE FARM PRODUCTS MARKETING ACT, 1946

MARKETING OF NEW POTATOES

INTERPRETATION

1. In these regulations and in any order, direction or determination made by the Board or the local board,—

- (a) "area" means that part of Ontario comprising the counties of Essex and Kent and the Township of Aldborough in the County of Elgin;
- (b) "dealer" means an original purchaser of new potatoes produced in the area;

- (c) "grower" means a person engaged in the production of new potatoes in the area;
- (d) "local board" means The South-Western Ontario New-Potato-Growers' Marketing Board; and
- (e) "new potatoes" means potatoes of every variety produced in the area for marketing before the 1st of September in any year.

LICENCES FOR DEALERS

2. No person shall engage in the area in the business of a dealer for new potatoes without a dealer's licence from the Board in Form 1.

3. An application for a dealer's licence shall be in Form 2.

4. A dealer's licence shall be issued for the period from the 1st of April in the year in which the licence is issued to the 31st of March in the following year.

5. A licence shall be issued to a dealer without charge.

LICENCE FEES

6.—(1) Every grower shall pay to the local board licence fees at the rate of 1 cent for each 75-pound bag or fraction thereof of new potatoes delivered to a dealer.

(2) The dealer shall deduct the licence fees payable by a grower from the sum of money due to the person from whom the new potatoes were received.

(3) The dealer shall forward to the local board the licence fees deducted not later than,—

- (a) the 15th of August for deductions made up to and including the 31st of July in any year; and
- (b) the 15th of September for deductions made after the 31st of July and up to and including the 31st of August in any year.

7.—(1) There shall be a committee of 6 persons to be known as "The Negotiating Committee", three of whom shall be appointed annually by the local board, and three of whom shall be appointed annually by the dealers.

(2) The Negotiating Committee may negotiate and settle agreements respecting,—

- (a) minimum prices;
- (b) forms of contract;
- (c) conditions of sale;
- (d) grades and price differentials between grades;
- (e) handling and selling charges; and
- (f) fulfilment of contract.

8. Where The Negotiating Committee fails to arrive at an agreement the matters in dispute shall be referred to a negotiating board.

9.—(1) The negotiating board shall consist of 3 members.

(2) One member may be appointed by the three members of The Negotiating Committee appointed by the local board, and another member may be appointed by the three members of The Negotiating Committee appointed by the dealers.

(3) Where two members are appointed to the negotiating board in accordance with subregulation 2, the two members so appointed may appoint a third member to the negotiating board but where the two appointed members fail to agree on the third member within seven days, the Board may appoint a third member.

(4) Where the three members of The Negotiating Committee appointed by the local board or the three members of The Negotiating Committee appointed by the dealers fail to appoint a member to the negotiating board within seven days, the Board may appoint a negotiating board.

(5) The negotiating board may negotiate and settle agreements respecting any matters referred to it.

10.—(1) Any agreements approved by The Negotiating Committee or the negotiating board shall be submitted to the Board.

(2) The Board may approve the whole or any part of an agreement submitted to it.

(3) Where the Board approves the whole or any part of an agreement submitted to it the Board may by order declare the agreement or part of it to be in force.

PROHIBITION

11. No grower in the area shall sell or deliver new potatoes to any person except a licensed dealer.

REVOCATION

12. Ontario Regulations 159/48 are revoked.

Dated at Toronto, this 19th day of May, 1949.

(Seal) G. F. PERKIN,
Chairman,
F. K. B. STEWART,
Secretary.

Made—25th May, 1949.
Approved—26th May, 1949.
Filed—27th May, 1949, 4.10 p.m.

REGULATIONS MADE BY THE BOARD UNDER THE FARM PRODUCTS MARKETING ACT, 1946

MARKETING OF HOGS

INTERPRETATION

1. In these regulations and in any order, direction or determination made by the Board or the local board,—

- (a) "hogs" mean hogs produced in Ontario and sold directly or indirectly for processing purposes;
- (b) "local board" means The Hog Producers' Marketing Board;
- (c) "process" means the slaughtering of hogs;
- (d) "processor" means a person who slaughters or has slaughtered for him hogs;
- (e) "producer" means a person engaged in the production of hogs in Ontario for marketing; and
- (f) "shipper" means a person who,—
 - (i) receives hogs as agent for a processor; or
 - (ii) assembles, ships and transports by any means of transportation, and offers for sale hogs to a processor as agent for a producer.

LICENCES FOR PROCESSORS

2. No person shall engage in the business of a processor of hogs without a processor's licence from the Board in Form 1.

3. An application for a processor's licence shall be in Form 2.

4. A processor's licence shall be issued for the period from the 1st of April in the year in which the licence is issued to the 31st of March in the following year.

5. Except as provided in regulation 10 the fee for a processor's licence shall be \$1.00.

LICENCES FOR SHIPPERS

6. No person shall engage in the business of a shipper of hogs without a shipper's licence from the Board in Form 3.

7. An application for a shipper's licence shall be in Form 4.

8. A shipper's licence shall be issued for the period from the 1st of April in the year in which the licence is issued to the 31st of March in the following year.

9. The fee for a shipper's licence shall be \$1.00.

LICENCE FEES OF PRODUCERS

10.—(1) A producer shall pay to the local board for each hog delivered directly or indirectly to a processor a licence fee of 2 cents per hog.

(2) The processor shall deduct the licence fee payable by a producer for each hog sold either directly or indirectly to the processor from any moneys due to the person from whom the hogs were received.

(3) The processor shall forward to the local board the licence fees deducted on or before the 15th of April, July, October and January in each year for the three last preceding months.

MARKETING

11.—(1) There shall be a Committee of ten persons to be known as "The Negotiating Committee", five

of whom shall be appointed annually by the local board and five of whom shall be appointed annually by the processors.

- (2) The Negotiating Committee may,—
 - (a) negotiate and settle agreements respecting,—
 - (i) minimum prices;
 - (ii) forms of contract;
 - (iii) conditions of sale; and
 - (iv) fulfilment of contract;

- (b) negotiate and settle agreements respecting differentials, premiums and discounts for the grades and weights of live and dressed hogs;
- (c) enquire into and establish the best means of preventing injury and bruising of hogs between the time they leave the producer's premises until they reach the processor's killing floors and to fix responsibility for injuries and bruises;
- (d) enquire into the deductions for condemnation insurance and to negotiate such adjustments as may be deemed expedient; and
- (e) in each of the foregoing cases make such recommendation to the Board as may be deemed advisable.

12. Where the Negotiating Committee fails to arrive at an agreement the matter in dispute shall be referred to a negotiating board.

13.—(1) The negotiating board shall consist of three members.

(2) One member may be appointed by the five members of The Negotiating Committee appointed by the local board, and another member may be appointed by the five members of The Negotiating Committee appointed by the processors.

(3) Where two members are appointed to the negotiating board in accordance with subregulation 2, the two members so appointed may appoint a third member to the negotiating board but where the two appointed members fail to agree on the third member within 7 days, the board may appoint a third member.

(4) Where the five members of the Negotiating Committee appointed by the local board or the five members of the Negotiating Committee appointed by the processors fail to appoint a member to the negotiating board within 7 days, the Board may appoint a negotiating board.

(5) The negotiating board may negotiate and settle agreements respecting any matters referred to it.

14.—(1) Any agreement approved by The Negotiating Committee or the negotiating board shall be submitted to the Board.

(2) The Board may approve the whole or any part of an agreement submitted to it.

(3) Where the Board approves the whole or any part of an agreement submitted to it the Board may by order declare the agreement or part of it to be in force.

15. No processor shall buy hogs except from a processor or producer.

MARKETING AGENCY

16.—(1) The local board may appoint a marketing agency through which hogs shall be marketed.

(2) Where a marketing agency has been appointed for Ontario or any part thereof all hogs marketed within Ontario or such part thereof as that for which the marketing agency has been so appointed shall be sold through the medium of or the direction of the agency.

EXEMPTIONS

17. These regulations shall not apply to the territorial districts of Ontario or the Provisional County of Haliburton.

REVOCATION

18. Ontario Regulations 52/46, 112/46, 142/46 and 176/47 are revoked.

Dated at Toronto, this 25th day of May, 1949.

**REGULATIONS MADE BY THE BOARD
UNDER THE FARM PRODUCTS
MARKETING ACT, 1946**

MARKETING OF SOYA-BEANS

INTERPRETATION

1. In these regulations and in any order, direction or determination made by the Board or the local board,—

- (a) "soya-beans" mean soya-beans produced in Ontario;
- (b) "dealer" means a person who acts as agent of a processor in buying soya-beans from a grower;
- (c) "grower" means a person engaged in the production of soya-beans;
- (d) "local board" means The Ontario Soya-Bean Growers' Marketing Board;
- (e) "processing" includes cleaning, drying and processing with or without other ingredients, or processing or manufacturing of products in whole or in part from soya-beans; and
- (f) "processor" means a person engaged in processing soya-beans.

LICENCES FOR DEALERS

2. No person shall engage in Ontario in the business of a dealer in soya-beans without a dealer's licence from the Board in Form 1.

3. An application for a dealer's licence shall be in Form 2.

4. A dealer's licence shall be issued for the period from the 1st of September in the year in which the licence is issued to the 31st of August in the following year.

5. A licence shall be issued to a dealer without charge.

LICENCES FOR PROCESSORS

6. No person shall engage in Ontario in the business of a processor of soya-beans without a processor's licence from the Board in Form 3.

7. An application for a processor's licence shall be in Form 4.

8. A processor's licence shall be issued for the period from the 1st of September in the year in which the licence is issued to the 31st of August in the following year.

9. A licence shall be issued to a processor without charge.

LICENCE FEES

10.—(1) Every grower shall pay to the local board licence fees at the rate of one-half cent for each bushel or fraction thereof of soya-beans delivered to a dealer or processor.

(2) The dealer or processor shall deduct the licence fees payable by a grower from the sum of money due to the person from whom the soya-beans were received.

(3) The dealer or processor shall forward to the local board the licence fees deducted in any month not later than the 15th of the following month.

MARKETING

11.—(1) There shall be a committee of twelve persons to be known as "The Negotiating Committee", six of whom shall be appointed annually by the local board, three of whom shall be appointed annually by the processors, and three of whom shall be appointed annually by the dealers.

(2) The Negotiating Committee may negotiate and settle agreements respecting,—

- (a) minimum prices;
- (b) forms of contract;
- (c) conditions of sale;
- (d) grades and price differentials between grades;
- (e) moisture differentials;
- (f) cleaning, handling, storage and selling charges; and
- (g) fulfilment of contract.

12. Where The Negotiating Committee fails to arrive at an agreement the matter in dispute shall be referred to a negotiating board.

13.—(1) The negotiating board shall consist of three members.

(2) One member may be appointed by the six members of The Negotiating Committee appointed by the local board, and another member may be appointed by the six members of The Negotiating Committee appointed by the processors and dealers.

(3) Where two members are appointed to the negotiating board in accordance with subregulation 2, the two members so appointed may appoint a third member to the negotiating board but where the two appointed fail to agree on the third member within 7 days, the board may appoint a third member.

(4) Where the six members of The Negotiating Committee appointed by the local board or the six members of The Negotiating Committee appointed by the processors and dealers fail to appoint a member to the negotiating board within 7 days, the Board may appoint a negotiating board.

(5) The negotiating board may negotiate and settle agreements respecting any matters referred to it.

14.—(1) Any agreement approved by the Negotiating Committee or the negotiating board shall be submitted to the Board.

(2) The Board may approve the whole or any part of an agreement submitted to it.

(3) Where the Board approves the whole or any part of an agreement submitted to it the Board may by order declare the agreement or part of it to be in force.

3. The minimum rate of wages for all work performed in the industry during the regular working periods shall be \$1.35 an hour.

SHIFT WORK

4.—(1) Where the work is carried on in 2 or more shifts, an employee shall be deemed to be employed during a regular working-day where the employee works not more than 8 hours in any 24-hour period.

(2) An employee who works on a night-shift shall be entitled to 8 hours' pay for 7 hours' work.

(3) In all cases governed by subsection 1 no overtime work shall be performed.

(4) Where 2 or more shifts are worked on the same job, only one shift shall be a day-shift.

OVERTIME WORK

5. Except as provided in sections 2 and 4 an employee who performs any work in the industry shall be deemed to be doing overtime work.

6.—(1) Except for one-half hour of overtime work to be performed immediately following the working period of a regular working-day no overtime work shall be performed in the industry without a permit from the advisory committee authorizing the work.

(2) Except,—

- (a) in cases of extreme necessity where life or property is jeopardized; or
- (b) on repairs to buildings where the repair work must be done in order to prevent the loss of employment to those who are regularly employed in the buildings,

no permit shall be issued for work to be performed on Saturday, Sunday, New Year's Day, Good Friday, Dominion Day, Kingston Civic Holiday, Labour Day and Christmas Day.

MINIMUM RATES OF WAGES FOR OVERTIME WORK

7. The minimum rates of wages for overtime work shall be,—

- (a) \$2.02½ an hour for overtime work performed during the one-half-hour period immediately following the working period of a regular working-day; and
- (b) \$2.70 an hour for all other overtime work.

ADVISORY COMMITTEE

8. The advisory committee is authorized to fix a minimum rate of wages lower than the rate fixed by this schedule for an employee who is handicapped and the rate may be fixed at the request of employee or employer.

PERIOD IN FORCE

9. This schedule shall be in force for the period of 12 months from the date of coming into force of the schedule.

New.
Made—29th June, 1949.
Approved—14th July, 1949.
Filed—20th July, 1949, 3.15 p.m.

REGULATIONS MADE BY THE MINISTER
UNDER THE FARM PRODUCTS
GRADES AND SALES ACT

HOG-CARCASSES

INTERPRETATION

1. In these regulations,—

- (a) "establishment" means an abattoir, slaughter-house, or packing house where hogs are slaughtered and at which an inspector attends;
- (b) "producer" means a person who is engaged in the production of hogs for sale;
- (c) "packer" means a person who operates an establishment or who causes hogs to be slaughtered for his own account at an establishment; and
- (d) "shipper" means a person who,—
 - (i) assembles, ships, transports, or offers for sale hogs to a packer as agent for a producer; or
 - (ii) assembles, ships, and transports hogs as agent for a packer.

2. These regulations shall apply to establishments.

GRADES FOR HOG-CARCASSES

3.—(1) The grades for hog-carcasses shall be as follows:

- (a) Grade A.—This grade shall consist of hog-carcasses of the best quality which,—
 - (i) weigh from 140 to 170 pounds, both inclusive;
 - (ii) have a minimum length of 29 inches;
 - (iii) have a maximum of 2 inches in thickness of shoulder-fat;
 - (iv) have a maximum of 1½ inches in thickness of loin-fat;
 - (v) have the shoulder balanced in weight in relation to the ham;
 - (vi) have a thick belly of even width throughout, with full flank;
 - (vii) have full-fleshed hams even by covered with fat, and of good shape;
 - (viii) have a firm back of even thickness;
 - (ix) have firm and white fat with a proper balance of fleshing and fat throughout the carcass; and
 - (x) have smooth skin showing no marked evidence of dark hair-roots or pigment.

- (b) Grade B, Class 1.—This grade shall consist of hog-carcasses which vary from Grade A in that,—
 - (i) the shoulder is slightly heavy or fat;
 - (ii) the belly is slightly thin, fat, wide or uneven;
 - (iii) the ham is a little thin or slightly fat;
 - (iv) the back has fat which is slightly uneven or deficient, or the back is a little over-fat throughout the length of the carcass;
 - (v) the fat is a little soft, or there is a slight lack of balance between fat and lean;
 - (vi) the weight is from 135 to 175 pounds, both inclusive;
 - (vii) this minimum length is from 28 to 29 inches, according to the weight of the carcass;
 - (viii) the shoulder-fat has a maximum thickness of 2 to 2¾ inches, according to the weight of the carcass; and
 - (ix) the loin-fat has a maximum thickness of 1½ to 2 inches, according to the weight of the carcass.
- (c) Grade B, Class 2.—This grade shall consist of hog-carcasses which vary from Grade B, Class 1, in that,—
 - (i) the weight is from 125 to 134 pounds, both inclusive;
 - (ii) the minimum length is 27 inches;
 - (iii) the shoulder-fat has a maximum thickness of 2 inches;
 - (iv) the loin-fat has a maximum thickness of 1½ inches.
- (d) Grade B, Class 3.—This grade shall consist of hog-carcasses which vary from Grade B, Class 1, in that,—
 - (i) the weight is from 176 to 185 pounds, both inclusive;
 - (ii) the minimum length is 30 inches;
 - (iii) the shoulder-fat has a maximum thickness of 2¾ inches; and
 - (iv) the loin-fat has a maximum thickness of 2¼ inches.
- (e) Grade C.—This grade shall consist of hog-carcasses which are well finished and have fleshing of good quality but vary from Grade B, Classes 1, 2 and 3 in that,—
 - (i) there is a greater proportion of fat to lean, softness and unevenness of fat, heaviness of shoulder or roundness of rib;
 - (ii) the weight is from 120 to 185 pounds, both inclusive;
 - (iii) the shoulder-fat has a maximum thickness of 2¼ to 3½ inches, according to the weight of the carcass; and
 - (iv) the loin-fat has a maximum thickness of 1¾ to 2½ inches, according to the weight of the carcass.
- (f) Grade D.—This grade shall consist of hog-carcasses which are,—

(i) over-fat, unfinished; rough, soft or oily and weigh from 120 to 185 pounds, both inclusive; or

(ii) thin, under-finished, rough, soft or oily.

(g) Lights.—This grade shall consist of hog-car-
casses of reasonable finish and quality which
weigh under 120 pounds;

(h) Heavies.—This grade shall consist of hog-
carcasses of reasonable finish and quality which
weigh from 186 to 195 pounds, both inclusive;

(i) Extra Heavies.—This grade shall consist of hog-
carcasses of reasonable finish and quality which
weigh over 195 pounds;

(j) Physical Injury.—This grade shall consist of
hog-carcasses which have suffered serious
physical damage;

(k) Ridgelings.—This grade shall consist of car-
casses of ridgeling or hermaphrodite pigs;

(l) Stags.—This grade shall consist of carcasses of
boars which have been castrated and have
healed;

(m) Sows Class 1.—This grade shall consist of car-
casses of sows which have raised one or more
litters; and

(n) Sows Class 2.—This grade shall consist of car-
casses that vary from Sows Class 1 in that the
carcasses are over-fat or very thin.

(2) Notwithstanding the rejection or condemnation
of a hog-car-
cass by a veterinary inspector appointed
under the Animal Contagious Diseases Act (Canada),
the hog-car-
cass shall be graded in accordance with
subregulation 1 and the inspector grading the hog-
car-
cass shall show the carcass on the grading certificate
as "Rejected" or "Condemned", as the case may be.

(3) In subregulation 1,—

(a) the length of a hog-car-
cass shall be measured
from the front edge of the first rib to the inside
of the aitch bone;

(b) the loin-fat shall be measured at the point of
the maximum thickness of the loin between the
last rib and the tail;

(c) the shoulder-fat shall be measured at the point
of the maximum thickness of the shoulder, but
not including any small infiltration of fat into
the lean; and

(d) the weight of a hog-car-
cass shall be determined
before the carcass is chilled and shall include
the weight of the head, leaf-lard, tongue, kid-
neys, tenderloin, tail, backbone and feet.

(4) Unless a hog-car-
cass is graded as Physical In-
jury, whip marks, scratches, and bruises shall not effect
the grade.

(5) Where a hog-car-
cass is tagged "hold for grad-
ing", the packer shall hold the carcass until an inspector
removes the tag.

GRADING CERTIFICATES

4.—(1) An inspector shall issue a grading certificate
in Form 1, in quadruplicate, in respect of the hog-
carcasses of each producer which are graded by the
inspector.

(2) A packer shall prepare, in quadruplicate, for
presentation to a producer the statement of account
portion of the grading certificate in respect of the hog-
carcasses of the producer.

(3) The inspector shall retain 1 copy of the grading
certificate and forward the original and 2 copies of the
certificate to the packer.

(4) The packer shall forward the original grading
certificate to the producer at the time of settlement.

5.—(1) No person shall use a grading certificate as
a basis of settlement for the purchase price of hog-
carcasses other than the hog-car-
casses in respect of which it was issued.

(2) No person other than an inspector shall alter a
grading certificate which has been signed.

SHIPPERS

6.—(1) Every shipper shall identify for the purpose
of grading each hog of each individual producer's lot
in a shipment by a tattoo mark assigned to the pro-
ducer by the shipper for the shipment.

(2) The shipper shall apply the tattoo mark im-
mediately behind the shoulder of the hog by a tattoo
iron before assembling or loading the hogs of the pro-
ducer.

(3) No person other than a producer shall ship,
transport or deliver to an establishment a hog which
is not identified by a tattoo mark.

(4) No shipper shall use a tattoo mark which is not
registered in his name with the Minister.

7. Upon taking delivery of the hogs of a producer
the shipper shall give to the producer a shipper's receipt
in Form 2.

8.—(1) After delivery of a producer's lot of hogs
to an establishment, the shipper shall deliver a shipper's
manifest in Form 3 to the inspector at the establish-
ment.

(2) The shipper shall retain a copy of the shipper's
manifest for 90 days.

Dated at Toronto, this 29th day of June, 1949.

THOMAS L. KENNEDY,
Minister of Agriculture.

THE POWER COMMISSION ACT

O. Reg. 169/49.

Rationing of Power.

Revoking O. Regs. 173/48, 209/48, 231/48 and 95/49.

Made—15th September, 1949.

Filed—30th September, 1949, 4.30 p.m.

**REGULATIONS MADE BY THE COMMISSION
UNDER THE POWER COMMISSION ACT**

PART I

WATER HEATERS

1.—(1) Unless water heaters operated by electrical power are,

- (a) equipped with thermostatic control; and
- (b) installed in or on tanks which are thermally insulated with a minimum of 1 inch in thickness of glass- or rock-wool insulation, or other material having at least the same heat-insulating capacity,

no municipality or municipal commission receiving electrical power from the Commission shall supply or use or permit to be supplied or used by any person the electrical power or any part thereof for the operation of water heaters installed or replaced after the date of publication of these regulations in THE ONTARIO GAZETTE under *The Regulations Act, 1944*.

(2) No person shall take from any municipality or municipal commission any electrical power received from the Commission and use it in a manner contrary to the provisions of subregulation 1.

(3) No person shall take any electrical power procured from the Commission and use it for the operation of water heaters in a manner contrary to the provisions of subregulation 1.

PART II

SPACE HEATERS

2.—(1) No municipality or municipal commission receiving electrical power from the Commission shall supply or use or permit to be supplied or used by any person electrical power or any part thereof for the operation of air-heaters, grates, radiators, boilers or any other device for space heating in hotels, tourist cabins, shops, offices, commercial premises and, except in the case of sickness, residences.

(2) No person shall take from any municipality or municipal commission any electrical power received from the Commission and use it in a manner contrary to the provisions of subregulation 1.

(3) No person shall take any electrical power procured from the Commission and use it in a manner contrary to the provisions of subregulation 1.

(4) Subregulations 1, 2 and 3 shall not apply to space heating in,

- (a) water-pumping-stations;
- (b) telephone relay- and repeater-stations;
- (c) radio-beam stations; and
- (d) municipally-owned electric-substations,

where no person is regularly in attendance.

PART III

LIGHTING

3.—(1) No municipality or municipal commission receiving electrical power from the Commission shall supply or use or permit to be supplied or used by any person electrical power or any part thereof for,

(a) subject to subregulation 2, lighting of interiors of shops, show-windows and offices except,

- (i) not more than 1 watt per square foot of gross floor-area of a shop during business hours, and after cessation of business with the public not more than 1 watt per square foot of the gross floor area of that part of the shop where the staff is actually working;
- (ii) not more than 10 watts per lineal foot of width of show-windows of shops between 4.30 p.m. and 9 p.m. and only while the shop is open for business;
- (iii) not more than 2 watts per square foot of gross floor-area of an office during office hours, and after office hours not more than 2 watts per square foot of gross floor-area of that part of the office where the staff is actually working;
- (iv) for the protection of property after business hours not more than 5 watts per 100 square feet of gross floor-area of a shop or office, or 40 watts per shop or office whichever is the greater;

- (b) lighting of exterior signs;
- (c) exterior flood- or outline-lighting for decorative, ornamental or advertising purposes;
- (d) lighting of out-door Christmas trees;
- (e) lighting of parking-lots, used-car lots, service stations, out-door industrial premises and out-door playing fields except,

- (i) not more than 10 watts per 100 square feet of parking-lot space while open for business;
- (ii) not more than 10 watts per 100 square feet of that portion of used-car lots used for display space while open for business and not more than 5 watts per 100 square feet of the used-car lot after cessation of business;
- (iii) not more than 40 watts per gasoline pump in a service station, exclusive of lighting not exceeding 25 watts inside the pump-meter compartment, while the service station is open for business;
- (iv) not more than 10 watts per 100 square feet of whatever part or parts of out-door industrial premises is in actual use for work in progress and not more than 5 watts per 100 square feet at other times and not more than 5 watts per 100 square feet for protective lighting of that part actually occupied by installations, or used for the storage of materials or equipment; and
- (v) not more than 40 watts per 100 square feet of playing area of an outdoor playing field only while in use;

between sunset and sunrise;

(f) lighting of,

- (i) marquees; or
- (ii) sidewalk-canopies

on hotels, theatres and restaurants except not more than $\frac{1}{2}$ watt per square foot of floor space or side-walk area covered by the marquee or canopy;

(g) lighting of exterior entrances or exits of,

- (i) residences, tourist establishments within the meaning of *The Tourist Establishments Act, 1949*, and commercial premises other than service stations and garages, except not more than 60 watts for commercial premises and not more than 25 watts for residences and, where occupied, tourist establishments; and
- (ii) service stations and garages, except not more than 60 watts for each entrance or exit and not more than a total of 120 watts for all entrances or exits per service station or garage; and

(h) exterior lighting between sunrise and sunset.

(2) The lighting permitted for shops during business hours under subclauses i and ii of clause a of subregulation 1 shall include the lighting of interior signs, merchandise-displays and show-windows.

4. No person shall take from any municipality or municipal commission any electrical power received from the Commission and use it in a manner contrary to the provisions of subregulation 1 of regulation 3.

5. No person shall take any electrical power procured from the Commission and use it in a manner contrary to the provisions of subregulation 1 of regulation 3.

6. Subregulation 1 of regulation 3 and regulations 4 and 5 shall not apply to,

- (a) (i) lighting of air-ports and transportation terminals;

- (ii) lighting for police, fire and property-protection services, traffic lights, traffic and warning signs; and
- (iii) lighting required by law;
- (b) hospitals;
- (c) lighting for interior domestic purposes;
- (d) lighting of a single exterior sign, not exceeding 25 watts, to designate,
 - (i) an office of a medical or dental practitioner, embalmer or funeral director, or pharmaceutical chemist;
 - (ii) an ambulance, telephone or telegraph station; or
 - (iii) premises providing sleeping accommodation for travellers;
- (e) lands used for the purpose of an exhibition or fair held by or under the auspices of a society as defined in *The Agricultural Societies Act, 1939*; and
- (f) the illumination of Niagara Falls for a period of not more than 2 hours between sunset and sunrise on Saturdays and holidays.

PART IV

7. Parts II and III shall not apply to the territorial districts of,

- (a) Algoma;
- (b) Cochrane;
- (c) Kenora;
- (d) Manitoulin;
- (e) Nipissing;

- (f) Parry Sound, except the townships of Carling, Christie, Conger, Cowper, Ferguson, Foley, Humphry, McDougall and McKellar, the Town of Parry Sound and the Village of Rosseau;
- (g) Rainy River;
- (h) Sudbury;
- (i) Thunder Bay; and
- (j) Timiskaming.

PART V

8. In these regulations,

- (a) "shop" means any building or a portion of a building, booth, stall or place where goods are handled or exposed or offered for sale, or where goods are manufactured and which is not a factory; but shall not include any part of a building used for office purposes; and
- (b) "office" shall mean a building or part of a building occupied and used for office purposes only.

9. Ontario Regulations 173/48, 209/48, 231/48 and 95/49 are revoked.

LICENCES

2. Except under a licence and subject to regulations made from time to time under clause *ee* of section 72 of *The Game and Fisheries Act, 1946*, no person shall operate a tourist establishment.

3.—(1) An applicant for a licence shall,—

- (a) make application in duplicate in form 1; and

(b) file the application with a licence issuer together with a fee of \$5.

(2) An applicant for a renewal of a licence shall,—

(a) make application in duplicate in form 1; and

(b) on or before the 31st of March file the application with a licence issuer together with a fee of \$2.50.

(3) Where the licence issuer is satisfied that the tourist establishment complies with the Act, these regulations, and municipal by-laws applicable to the establishment, he shall issue the applicant a licence in form 2 and transmit to the Minister forthwith a copy of the application and the licence.

(4) The licence shall be valid from and including the 1st of April in the year it is issued to and including the 31st of March next following.

4. Where an operator holds a licence under *The Tourist Camp Regulation Act, 1946*, he need not hold a licence in form 2 until the 1st of April, 1950.

5. Where the licence issuer refuses to issue a licence to an applicant, the issuer shall,—

(a) transmit to the Minister forthwith a copy of the application, and a report setting forth the reasons the licence was refused; and

(b) within 5 days transmit to the applicant by registered mail a copy of the report under clause a.

SUSPENSION AND CANCELLATION OF LICENCES

6.—(1) Where an operator violates the Act, a municipal by-law under section 3 of the Act, or these regulations, the licence issuer may suspend or cancel the licence and thereupon shall transmit forthwith to the Minister and the operator a report setting forth the reasons for the suspension or cancellation.

(2) The Minister may, after a hearing, revoke the suspension or cancellation.

REGISTRATION OF PERSONS, MOTOR VEHICLES AND TRAILERS ACCOMMODATED

7.—(1) An operator shall maintain a register of the persons, motor vehicles and trailers accommodated in his tourist establishment.

(2) A person accommodated shall enter in the register,—

(a) his name and home address; and

(b) the name and home address of each person travelling with him and accommodated in the establishment who does not register.

(3) A person travelling by motor vehicle and accommodated in a cabin- or trailer-establishment, or a tourist-home, shall also enter in the register the trade-name of the motor vehicle, the registration number thereof, and the name of the province, state or county issuing the registration number.

(4) The operator shall enter in the register,—

(a) the name or number of the cabin, cottage, room, suite or space occupied by each person accommodated; and

(b) the date of arrival and departure of each person accommodated.

(5) No operator shall knowingly permit nor shall the operator or a person accommodated enter false information in the register.

(6) The operator shall retain the register for at least a year after the date of the latest entry therein.

DUTIES OF OPERATORS

8.—(1) An operator shall,—

(a) number or name each cabin, cottage, sleeping-room and -suite;

(b) keep posted in every room or building used for sleeping accommodation a notice specifying the rates charged for the room or building;

(c) at the request of an inspector or police officer, produce for inspection any register, licence, notice or insignia required under the Act or these regulations; and

(d) equip windows with,—

(i) blinds or curtains that ensure privacy for persons accommodated; and

(ii) screens of fire-proof or fire-resistant material.

(2) The operator of a tourist establishment other than a cottage-establishment shall have in attendance at all times during its operation at least one competent adult.

9. An operator shall,—

(a) keep the buildings painted and repaired, and in a clean and sanitary condition;

(b) keep the furnishings, equipment, sanitary facilities, and appliances, repaired and in a clean and sanitary condition and free from rodents, vermin, and other pests, and

(c) where he provides bedding for a person accommodated, keep the bedding in a clean and sanitary condition, and furnish him with soap not previously used, and freshly-laundered sheets, pillow-cases, and towels.

10. Regulation 9 is made under clause *h* of subsection 1 of section 2 of the Act

DUTIES OF PERSONS ACCOMMODATED

11. No person accommodated shall,—

(a) light or build a fire except in equipment provided by the operator or in a place he designates;

(b) take water from any open spring or well on the premises; or

(c) use a common drinking-cup or -container.

INSPECTORS

12.—(1) Officials and employees of the Government so designated by the Minister shall be inspectors.

(2) Subject to the approval of the Minister, municipal councils or local boards of health of municipalities may designate officials and employees of the council or local board of health, respectively, as inspectors.

13. An inspector may,—

(a) enter and inspect any tourist establishment within his jurisdiction;

(b) make such examination and inquiry as may be necessary to ascertain if the operator is complying with the Act, these regulations, and the by-laws of the municipality in which the tourist establishment is situated; and

- (c) during an inspection be accompanied by a legally qualified medical practitioner, or a building inspector, sanitary inspector, or police officer.

FIRE-PREVENTION

14. An operator shall,—

- (a) provide fire-extinguishers of the type and in the number recommended by the local fire-inspector, and keep them in conspicuous and well-marked places;
- (b) not permit a person accommodated to light or build a fire except in equipment provided by the operator or in a place he designates;
- (c) display or post adequate signs or instructions, or both, informing persons accommodated of the location of fire-exits; and
- (d) take such precautions as are necessary to prevent heating-devices from endangering the health or safety of persons accommodated, as a result of the exhaustion of oxygen from the air, or the production of carbon monoxide or other noxious gas or smoke.

GARBAGE

15.—(1) An operator shall,—

- (a) place fly-tight metal garbage-containers in convenient places and in sufficient numbers;
- (b) ensure that the garbage-containers do not become foul-smelling, unsightly, or breeding-places for flies or other insects;
- (c) where there is no municipally-operated or -authorized garbage-removal service, dispose of garbage, waste and refuse by incineration or burial, in such a manner as will not create a nuisance or pollute water on the premises; and
- (d) empty and clean garbage-containers at least twice a week.

(2) Persons accommodated shall dispose of garbage, waste and refuse in accordance with rules to be observed by persons accommodated in tourist establishments under clause *m* of subsection 1 of section 2 of the Act.

16. Where a cabin or cottage is provided with cooking-facilities, the operator shall equip it with at least one garbage-container which shall be emptied and cleaned before each occupancy.

WATER-SUPPLY

17. An operator shall,—

- (a) provide an adequate supply of clean and potable water;
- (b) not permit persons to take water from any open spring or well on his premises; and
- (c) not permit the use of common drinking-cups or -containers.

18.—(1) Subject to subregulation 2, a well used for a water-supply shall be so constructed and located that the water obtained therefrom is free of contamination.

(2) Where the water is not free from contamination, the operator shall, under the direction of the Department of Health of Ontario or a local public-health officer, treat it in such a manner as to make it clean and potable.

19.—(1) No operator shall use or permit to be used an open-top reservoir.

- (a) be free of leaks;
- (b) be constructed of material impervious to water; and
- (c) have its openings so constructed as to prevent the entrance of birds, insects, or animals, or other sources of infection or contamination.

20. A pump and its connections shall be so placed as to prevent contamination of the water.

21.—(1) Where there is no available municipal water-supply, the operator shall, at least twice a year, have the Department of Health of Ontario or a local public-health officer make a test of the water used for human consumption at the tourist establishment.

(2) Where a test discloses that the water is unfit for human consumption, the operator shall, under the direction of the Department of Health of Ontario or a local public-health officer, treat the water but not use it or permit it to be used until another test discloses its fitness for human consumption.

DRAINAGE

22. Buildings shall be located on dry and well-drained sites.

23. Where necessary, the operator shall provide surface drainage to ensure that casual or stagnant water is sufficiently far from buildings to prevent a nuisance to persons accommodated or a danger to their health.

TRAILER-ESTABLISHMENTS

24.—(1) A trailer-establishment shall have an area of at least 1000 square feet for each trailer or tent.

(2) The operator shall not allow more than 25 trailers or 25 tents, or any combination of 25 thereof, on any one acre of land.

(3) The trailers and tents shall be arranged in rows and between rows there shall be a driveway at least 20 feet wide and clearly marked and adequately lighted between sunset and sunrise.

(4) The operator shall designate where trailers shall be parked and tents pitched.

(5) In subregulations 1, 2, 3 and 4 "tent" includes temporary sleeping-accommodation.

WATER-CLOSETS, TOILETS, PRIVIES, AND WASH-BASINS

25.—(1) Where a room is equipped with a water-closet, the floor of the closet shall be finished with material impervious to water.

(2) The room shall be well ventilated from outside, adequately lighted, and maintained in a clean and sanitary condition.

26. Water-flushed or water-fed toilets shall be connected to a public sewage-system or to a properly-constructed septic-tank and absorption system.

27. A privy shall be adequately lighted and so constructed and maintained that,—

- (a) flies, insects, rats or other small animals are unable to gain access to the waste;
- (b) surface- or ground-water does not enter the pit or vault; and

(c) waste in the privy does not contaminate the water-supply.

28. Where there are central water-closets, privies or washrooms, the operator shall provide separate facilities for male and female persons accommodated, with separate approaches clearly marked for each sex.

29. Where a room or privy has more than one water-closet or privy-seat, as the case may be, there shall be partitions between closets or seats, constructed in such a manner as to ensure privacy.

30. An operator shall not use or permit to be used a privy-vault, cesspool, septic-tank or reservoir, into which a privy, water-closet, stable or sink is drained, until he obtains the approval of an inspector.

31. The minimum number of water-closets or privy-seats, and the minimum number of wash-basins, at a tourist establishment other than a cottage-establishment, shall be as set forth in columns 2 and 3 for the number of persons in column 1 as follows:

1	2	3
Number of persons	Minimum number of water-closets or privy-seats	Minimum number of wash-basins
1 to 10	2	2
11 to 30	4	4
31 to 60	6	6
61 to 100	10	10

32. A bath-room, toilet-room or privy shall have,—

- (a) one or more windows having an aggregate glass-area of at least 3 square feet; or
- (b) an efficient ventilating-device.

33. A rental-unit in a cottage-establishment shall have at least one water-closet or privy for the exclusive use of the persons accommodated in that unit.

CONSTRUCTION REQUIREMENTS

34. Regulations 35 to 41, both inclusive, shall apply to cabins and cottages hereafter established.

35. The average, clear, interior height of a room shall be at least 8 feet measured from floor to ceiling.

36.—(1) No cabin or cottage shall have less than 140 square feet of floor space exclusive of porches and verandahs.

(2) A sleeping-room shall have at least 50 square feet of floor space for each person accommodated.

37. A cabin or cottage shall be,—

- (a) at least 12 feet from any other building; and
- (b) at least 6 feet from a side or rear boundary of the land on which the tourist establishment is operated.

38. Interior walls shall be,—

- (a) stained, painted, or lined with a material having a smooth surface; and
- (b) so constructed that they may be kept clean.

39. Floors shall be constructed of concrete, or tongue-and-groove material at least a foot above the ground.

40. A living-room, sleeping-room or kitchen shall have one or more windows with an aggregate glass-area of at least one-tenth the floor area.

41. Windows shall be capable of being easily opened at least half-way.

42. A cabin or cottage hereafter established and containing more than one rental-unit, and a sleeping-room hereafter added to an inn or lodge, shall have each rental-unit separated from adjoining rental-units by a dividing-wall at least 4 inches thick and constructed of,—

- (a) solid brick, hollow clay, clay-tile, concrete- or cinder-block, laid in cement or cement-lime mortar; or
- (b) wood studs at least 2 inches by 4 inches, set at not more than 16-inch centres with the spaces between the studs filled with mineral wool, and faced on both sides by,—
 - (i) plaster-board, wall-board or wood, at least one-half inch thick; or
 - (ii) gypsum-lath at least three-eighths inch thick and plastered on both sides with a base coat of gypsum hard-wall plaster at least three-eighths inch thick and a finishing coat of hydrated lime-putty and plaster of Paris.

BOATS AND CANOES

43. An operator shall keep his boats and canoes for use of persons accommodated in repair, and in a clean and safe condition.

REVOCATION OF REGULATIONS

44. Ontario Regulations 62/47, 126/47, 59/48 and 129/48 are revoked.

THE FARM PRODUCTS MARKETING ACT, 1946

O. Reg. 178/49.
Marketing of Winter Celery.
New.
Made—5th October, 1949.
Approved—6th October, 1949.
Filed—11th October, 1949, 9.35 a.m.

REGULATIONS MADE BY THE BOARD UNDER THE FARM PRODUCTS MARKETING ACT, 1946

MARKETING OF WINTER CELERY

INTERPRETATION

1. In these regulations and in any order, direction or determination made by the Board or the local board,

- (a) "area" means that part of Ontario comprising the counties of Brant, Halton, Haldimand, Lambton, Lincoln, Peel, Simcoe, Welland, Wentworth and York;

- (b) "dealer" means an original purchaser of winter celery produced in the area;
- (c) "grower" means a person engaged in the production of winter celery in the area;
- (d) "local board" means The Ontario Winter-Celery Growers' Marketing Board; and
- (e) "winter celery" means celery of every variety produced in the area for marketing after the 15th of October in any year.

LICENCES FOR DEALERS

2. No person shall engage in the business of a dealer for winter celery without a dealer's licence from the Board in form 1.

3. An application for a dealer's licence shall be in form 2.

4. A dealer's licence shall be issued for the period from the 1st of October in the year in which the licence is issued to the 30th of September in the following year.

5. A licence shall be issued to a dealer without charge.

LICENCE FEES

6.—(1) Every grower shall pay to the local board licence fees at the rate of 1 cent for each 65-pound crate or fraction thereof of winter celery delivered to a dealer.

(2) The dealer shall deduct the licence fees payable by a grower from the sum of money due to the person from whom the celery was received.

(3) The dealer shall forward to the local board the licence fees deducted not later than

- (a) the 15th of December for deductions made up to and including the 1st of December in any year, and
- (b) the 15th of February for deductions made up to and including the 31st of January in any year.

7.—(1) There shall be a committee of six persons to be known as "The Negotiating Committee", three of whom shall be appointed annually by the local board, and three of whom shall be appointed annually by the dealers.

(2) The Negotiating Committee may negotiate and settle agreements respecting

- (a) minimum prices,
- (b) forms of contract,
- (c) conditions of sale,
- (d) grades and price differentials between grades, and
- (e) fulfilment of contracts.

8. Where The Negotiating Committee fails to arrive at an agreement the matters in dispute shall be referred to a negotiating board.

9.—(1) The negotiating board shall consist of 3 members.

(2) One member may be appointed by the three members of The Negotiating Committee appointed by the local board, and another member may be appointed by the three members of The Negotiating Committee appointed by the dealers.

(3) Where two members are appointed to the negotiating board in accordance with subregulation 2, the two members so appointed may appoint a third member to the negotiating board but where the two appointed members fail to agree on the third member within 7 days, the Board may appoint a third member.

(4) Where the three members of The Negotiating Committee appointed by the local board or the three members of The Negotiating Committee appointed by the dealers fail to appoint a member to the negotiating board within 7 days, the Board may appoint a negotiating board.

(5) The negotiating board shall meet within 14 days of the appointment of the third member thereof.

(6) The negotiating board may negotiate and settle agreements respecting any matters referred to it.

10.—(1) Any agreements approved by The Negotiating Committee or the negotiating board shall be submitted to the Board.

(2) The Board may approve the whole or any part of an agreement submitted to it.

(3) Where the Board approves the whole or any part of an agreement submitted to it the Board may by order declare the agreement or part of it to be in force.

PROHIBITION

11. No grower in the area shall sell or deliver winter celery to any person except a licensed dealer.

Dated at Toronto, this 5th day of October, 1949.
